

Levi's® STADIUM 2016 MEDIA GUIDE

HOME OF THE SAN FRANCISCO 49ERS

ABOUT LEVI'S® STADIUM

Since opening, Levi's Stadium has welcomed nearly three million visitors, counting all events and attractions housed within the venue. Heading into its third year of operations, the venue has secured its place as the premier outdoor destination for sports and entertainment on the West Coast. Hosting over 50 major events to date, including Super Bowl 50 and Copa America Centenario, Levi's Stadium has provided entertainment for fans across numerous platforms. Still in its infancy, the facility has already garnered numerous awards from around the globe.

Levi's Stadium boasts a seating capacity of 68,500 with the ability to expand to more than 75,000 for special events, and is best known as the home of five-time Super Bowl champions, the San Francisco 49ers. Drawing more fans closer to the experience than ever before, Levi's Stadium features nearly 45,000 seats, or roughly two-thirds stadium capacity, in the lower bowl. Overall, the stadium includes 1.85-million-square-foot of space and offers 9,000 club seats and 173 suites that provide for a distinctively California experience.

For 49ers games, Levi's Stadium features unique tailgating options designed to enhance the game day experience, highlighted by Michael Mina's Tailgate, the Faithful Mile and the Red Zone Rally at the Great America Pavilion. Michael Mina's Tailgate is an exclusive, members-only experience housed within the Bourbon Steak and Bourbon Pub restaurants located inside the venue. The Tailgate is tailor-made for 49ers season ticket holders and features an upscale, five-course menu themed for each different opponent. The Faithful Mile, a 60,000-square-foot tailgating area accessible to all 49ers ticket holders free of charge, features bars presented by Bud Light, regular rotation of food trucks and entertainment. Red Zone Rally is an all-inclusive pregame party for all 49ers home games, providing pass-holders top-of-the-line food and beverage offerings inside a private, air-conditioned space with free access to ride the Flight Deck roller coaster.

The most technologically advanced stadium in the world, Levi's Stadium is a showcase for innovation in Silicon Valley. Accompanied by its own mobile app, the Levi's Stadium App, the venue brings the comforts of watching a game at home right to your seat. In addition to mobile ticketing and parking, in-seat delivery for food and beverages, and the ability to watch video replays in real-time on a handheld device through the Levi's Stadium App, the stadium features a best-in-class cellular and Wi-Fi infrastructure that allows guests to stay connected throughout their visit.

In July 2016, Levi's Stadium also became the first professional football stadium to be awarded LEED Gold Certification for Operations and Maintenance of an Existing Building after opening the stadium in 2014 with LEED Certification as New Construction - the recognized standard for measuring sustainability for design and construction. Equipped with a green roof, state-of-the-art solar elements made up of 1,162 photovoltaic panels throughout the venue and low-flow plumbing fixtures that use 40 percent less water than conventional fixtures, the stadium has been widely recognized as a leader in sustainable design. Overall, Levi's Stadium has established a new standard for sports and entertainment venues by using 85 percent recycled water and in its first year received industry awards for its conservation of water and use of reclaimed wood.

Furthermore, Levi's Stadium was recognized by the Sports Business Journal in May 2015 as Sports Facility of the Year for North America. In June 2015, Levi's Stadium was chosen as Venue of the Year and Top Venue Technology at The Stadium Business Awards over an international field of facilities.

Super Bowl 50

On February 7, 2016, Coldplay, along with special guests Beyoncé and Bruno Mars, took the stage in front of 71,088 fans for the Super Bowl 50 halftime show.

Bringing the convenience of home to the in-venue experience at an unprecedented level, the Levi's Stadium App allows all stadium guests with an Internet-enabled handheld device to order food, drink and merchandise for personal delivery right to their seats.

Looking to implement a ticket scanning system that would enable a more personalized customer support experience for guests visiting Levi's Stadium, the 49ers worked with innovative partner VenueNext to develop the proprietary Kezar system that has introduced new efficiencies into the venue entry process.

TECHNOLOGY

Levi's Stadium is a showcase for innovation in the Silicon Valley through partnerships with local, national and international technology providers that help deliver world-class Wi-Fi capability, mobile connectivity, IPTV, digital displays, HD scoreboard and video displays, and paperless ticketing.

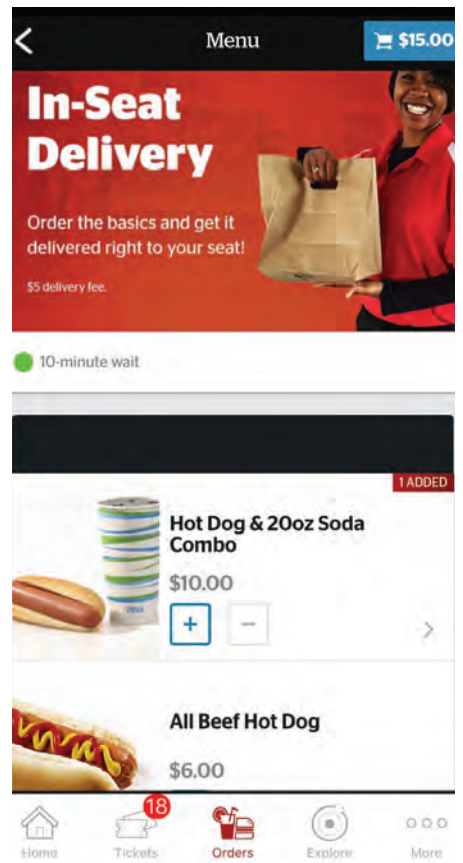

- The most technologically advanced stadium is accompanied by its own app. The Levi's Stadium App brings the comforts of watching a game at home right to your seat -- but only at Levi's Stadium. This includes a game center with mobile ticketing and parking passes, in-seat food and beverage delivery, as well as multi-angle replays (within 5-10 seconds) and game statistics. The app also provides detailed maps for each level of the stadium, bluetooth enabled wayfinding, and integrated access to Faithful 49 presented by Esurance, the team's fan rewards program.
- XFINITY by Comcast provides free Wi-Fi to guests throughout the stadium. When a fan is in their seat, they are never more than 10 feet away from a Wi-Fi signal thanks to the venue's ground-breaking infrastructure of Internet access points strategically positioned beneath seats throughout the seating bowl -- one access point for every 100 seats.

NETWORK INFRASTRUCTURE

- Over 400 miles of data cable has been run in the stadium, including 70 miles of cable to support Wi-Fi.
- More than 12,000 physical network ports have been installed.
- Levi's Stadium features a backbone of 40Gb/s of available Internet bandwidth, easily scalable to event attendance, which is four times greater than the standard for NFL stadiums mandated by the National Football League for 2015.
- The stadium contains more than 1,300 Wi-Fi access-points supporting 2.4 and 5GHz channels and the most current Wireless standards including 802.11ac; Wi-Fi is accessible in every location and free to all.

IN-STADIUM "BROADCAST"

- The in-stadium "Broadcast" rivals that of a Network TV broadcast, featuring 13 stadium cameras (most NFL stadiums have four-six). The stadium has the ability to share camera feeds with the broadcasting TV network. At least six different replay angles can be viewed per play. The game day production team consists of 40-plus people.
- The stadium is equipped with two Sony HD 13 video boards at the North and South ends of the stadium that measure 200 feet by 48 feet, producing more than 19,000 square feet of viewing space. They are among the largest in the NFL. The boards also feature tremendously sharp, cutting-edge LEDs. The boards can be sectioned in order to show multiple pieces of content simultaneously.
- Levi's Stadium is one of a handful of stadiums in North America that is truly 4K-capable. The content team uses 10 Sony F55 video cameras, their premium product, to capture the action in the stadium. The content team is currently capturing in 4K, not broadcasting, as they are preparing for future capabilities.
- Nearly 2,000 Sony screens are connected to the stadium's IPTV system, which allows for incredible flexibility and customization throughout the venue. Content includes menu boards, game broadcasts, statistics and other important information as deemed necessary. Content includes menu boards, game broadcasts, statistics and other important information as deemed necessary.

LEVI'S STADIUM MOBILE APP

The Levi's Stadium App, available on iOS and Android, helps guests unlock Levi's Stadium's best-in-class fan experience features, including:

MOBILE TICKETING

Access Levi's Stadium with mobile tickets and parking passes. Guests can transfer tickets to friends and family with a few taps. Buy and transfer parking passes.

WAYFINDING

Guests at Levi's Stadium can navigate the venue with turn-by-turn directions to their seat and points of interest as well as see line wait times for all restrooms and concession stands.

FAITHFUL 49

Earn, track and redeem yards as part of the 49ers fan rewards program.

MOBILE ORDERING

Order food, drink and merchandise and have it delivered directly to their seats from their smartphone. Here's how it works:

IN-SEAT DELIVERY

- Guest places order for in-seat delivery through the app; order is routed to a pre-determined stand for fulfillment. Guest will receive a notification when the order is placed, as well as an estimated wait time for delivery. When order is ready, food will be delivered via runner, and guest will receive a notification that the order is on its way. Once runner arrives to seat, guest will confirm order number using a confirmation screen on the mobile device; runner will check ID on all alcohol orders.
- Service carries a flat \$5 delivery fee on all orders, credit card payment required through the app.
- Service is available to all seats, but there is a limited menu for in-seat delivery: frankfurter, vegan dog, Bavarian pretzel, nachos, popcorn, candy, chips, peanuts, cracker jacks, bottled soda, bottled water, Gatorade, bottled beer, and wine.
- Select 49ers merchandise is also available for purchase through the app for in-seat delivery with a flat \$5 delivery fee.

SUSTAINABILITY

In August 2014, Levi's Stadium became the first professional football stadium to open with LEED Gold Certification for New Construction, the recognized standard for measuring sustainability for design and construction. Less than two years later in July 2016, Levi's Stadium continued to set benchmarks as the leading sports venue in sustainability by achieving LEED Gold Certification for Operations and Maintenance of an Existing building - making it the first-ever NFL stadium to be LEED Gold certified under the two respective rating systems.

The stadium is designed to reduce energy demand and generate more electricity annually, via on-site photovoltaic (PV) systems, than is consumed during the 10 scheduled 49ers games each season.

SUSTAINABLE DESIGN ELEMENTS

- NRG, the exclusive sustainable energy provider of the 49ers and the stadium, installed a number of state-of-the-art solar elements that account for 1,162 photovoltaic panels throughout the venue:
 - The NRG Solar Terrace, the venue's 27,000-square-foot "green roof," is located atop the stadium's SAP Tower which houses a majority of the venue's 173 suites. This living roof features 16 species of vegetation native to the Bay Area to lower the building's cooling and heating needs by regulating ambient temperatures in SAP Tower. A portion of the roof is shaded by the solar panel canopy.
 - Three solar array-covered bridges, the NRG Energy Bridges, are the first of their kind in the NFL.
- Electrical vehicle charging stations (NRG EV Charging Stations) are located on the west side of the stadium to power maintenance and operations electrical vehicles year-round. NRG is currently building the nation's first comprehensive, privately funded electric vehicle charging network and the charging stations are available to Levi's Stadium guests on event days.
- Low-flow plumbing fixtures such as toilets, urinals and sinks use 40 percent less water than conventional fixtures. On top of low-flow water fixtures, the stadium uses 85 percent reclaimed water for flush fixtures in addition to irrigating landscape and the playing field -- a standard within the sports and entertainment venue industry.
- The playing field is surrounded by a 23,000-square-foot artificial turf track that reduces watering needs by approximately 20 percent and reduces the amount of natural grass needed for each field resurfacing.
- The stadium's sustainable initiatives also include public transit access (Caltrain, ACE & Capitol Corridor - VTA, Amtrak), convenient bicycle parking and a walking path from the San Tomas Creek Trail.
- Construction materials utilized contained more than 40 percent recycled content overall, based on cost. More than 75 percent of construction waste was recycled and diverted from landfills.

SUSTAINABLE STADIUM OPERATIONS PROGRAMS

- **The Recycled Water Program** is setting a new standard for stadiums. Recycled water accounts for about 85 percent of all water used in Levi's Stadium and is used for playing field irrigation, the "green roof," flushing toilets, and cooling tower make-up water. Other stadiums in the U.S. are plumbed for recycled water use, but none are using it to the extent and in the myriad of ways as Levi's Stadium.
- **The Solid Waste Management Reduction Program** is a comprehensive waste diversion program that is striving for net-zero landfill. All garbage, recycling and compostable materials from inside the venue and the surrounding parking areas are sorted on-site and placed into compactors to be processed.
- **The Building Management System** allows the venue to conserve energy usage through HVAC monitoring, lighting distribution and the use of automatic sensors.
- **The Energy Metering & Benchmarking Program** utilizes a comprehensive, live-time electrical metering building management system, that allows the stadium to load-shed as needed through the use of motion sensors.
- **The Preventative Maintenance Program** tracks all equipment and systems to enact their manufacturer's recommendations and scheduled preventative plans.

- **The Ongoing Commissioning Program** ensures that the venue operates under the LEED existing building guidelines for new projects and build outs.
- **The Green Cleaning Program** ensures that the janitorial contractor, ABM, uses sustainable green certified products for all cleaning essentials and equipment.
- **The Sustainable Purchasing Program** for ongoing consumables, foodstuffs, durable goods ensures that local, organic, recycled and compostable items will be purchased from vendors.
- **The Integrated Pest Management Program** uses green pest eradication products.
- **The Indoor Air Quality Management Program** consists of perpetual monitoring of indoor air quality based on the LEED-approved HVAC system.
- **The Landscape Management Program** includes using native, drought-resistant plants that are hydrated with 100 percent recycled water.
- **The Exterior Hardscape Management Program** utilizes cleaning equipment when washing the exterior skin of the building and sidewalks. All organic materials collected are composted.

FAITHFUL MILE

Fans enjoy the Faithful Mile, a 60,000-square-foot dedicated tailgating area equipped with two expansive bars presented by Bud Light, food areas, beer carts, mobile merchandise locations and entertainment. The spacious pre-game fan zone is accessible to all 49ers ticket holders free of charge.

FAN EXPERIENCE OVERVIEW

Levi's Stadium delivers an unparalleled game day experience to fans and does so in a multitude of ways.

STADIUM DESIGN

- Featuring over 45,000 seats, Levi's Stadium's lower bowl is one of the largest in the NFL (roughly two-thirds of stadium capacity). The seating is designed this way to bring the majority of fans closer to the field.
- The design also eliminates the traditional club mezzanine level, which brings fans sitting in the upper deck lower to the field.
- The location of Levi's Stadium offers convenience to patrons in both access and parking. There are 13 freeway interchanges located near the stadium's site, which means fans have ample access points to get on the freeway.
- There are more than 20,000 parking spaces located within a short walking distance from the stadium. Tailgating is an integral part of the game day experience in Santa Clara and Levi's Stadium provides the most diverse tailgating lineup in the NFL with free access to the multi-faceted Faithful Mile, the all-inclusive Red Zone Rally at Great America Pavilion and the upscale, members-only Michael Mina Tailgate located within the Bourbon Steak and Bourbon Pub restaurants.

LEVI'S STADIUM FEATURES

PLAZAS

- The first level of the stadium features open pedestrian plazas, retail and community space, a team store, the 49ers Museum presented by Sony and Edward J. DeBartolo, Sr. 49ers Hall of Fame, the Visa Box Office, Michael Mina's Bourbon Steak and Bourbon Pub restaurants (home of Michael Mina's Tailgate) and more.
- The main entry, Intel Plaza at the northwest corner of the Stadium, is open to the public year-round and provides direct access to the Levi's Stadium Fanwalk and the 49ers Team Store. In the northeast corner, Toyota Plaza is the main entry for guests of Michael Mina's Bourbon Steak & Bourbon Pub restaurants and the 49ers Museum presented by Sony. Dignity Health Plaza at the southwest corner of the Stadium is another primary entry gate for fans and media on event days.

CONCOURSE

- Concourses at Levi's Stadium are among the widest in the NFL and have more than 600 individual concessions points of sale, allowing for easy pedestrian access and creating a more pleasant, less congested atmosphere around vendors. The California Lottery Level offers access to all 300 and 400 level seating.
- Concourses also feature open field views so fans can watch the game even while they purchase refreshments and navigate the building.

PARTY DECKS

- Expansive party decks featuring both concessions and specialty food and beverage stands are located under each scoreboard. The Pepsi Fan Deck above the north end zone and Bud Light Patio above the south end zone are available year-round and offer a unique stage for many types of events.

THE 49ERS MUSEUM PRESENTED BY SONY

Featuring 11 unique gallery and exhibit spaces, the 49ers Museum presented by Sony is a 20,000 square foot facility dedicated to the 49ers past, present and future. The Museum is dedicated to its values of education, innovation and heritage and is committed to serving as an exciting and engaging home for fans of all ages. EDWARD J. DEBARTOLO JR. SUPER BOWL GALLERY

Celebrate Eddie D’s extraordinary achievements as the architect of the San Francisco 49ers five Super Bowl championships with the Edward J. DeBartolo Jr. Super Bowl Gallery. Highlighting DeBartolo as a mentor, leader, owner and family man, the gallery features signature artifacts, photographs from his time with the team and more.

THE DENISE DeBARTOLO YORK EDUCATION CENTER

The Denise DeBartolo York Education Center, located inside The 49ers Museum presented by Sony, is committed to education and innovation and is extremely proud of the educational program that has already served more than 60,000 Bay Area children in its first two years of operation. The program is unique in many ways, but perhaps the most compelling is the fact that the program is completely free to its participants. The 49ers pay for transportation, admission, supplies and everything else associated with visits to the Museum. This program is not only unrivaled in the NFL, but in all of professional sports.

INSPIRE THROUGH EDUCATION

The 49ers Museum's Education Program provides learning platforms that connect, inspire, and engage students in grades K-8. Our program uses football as a platform for:

- Teaching content-rich lessons in Science, Technology, Engineering and Mathematics (STEM).
- Ingraining invaluable life skills.
- Encouraging physical activity.

THE CURRICULUM

As the first professional sports organization to embrace the STEM learning concepts for youth, the 49ers Museum is constantly evolving and enhancing students' experiences to reflect the most current concepts that support classroom learning. By working closely with a board of local advisory educational partners, all programs have been specially aligned to state Common Core and Next Generation Science standards that support leading instructional practices. Additionally, the Museum's education program curricula:

- Aligns to National & California Common Core and Next Generation Science Standards.
- Engages students in a variety of technology-rich learning experiences that are student-centered and can be adapted to various development levels and learning audiences.
- Integrates STEM learning through project-based activities that transfer student knowledge and skills to real-world problems.
- Aligns to 21st Century Learning Skills (Critical Thinking, Problem-Solving, Communication, Collaboration and Creativity).
- Increases student motivation for learning and enhances student understanding of STEM concepts.

CUSTOMIZABLE FEATURES

A field trip to the 49ers Museum presented by Sony complements and reinforces existing school curriculum in many ways. By offering hands-on, project-based learning in a dynamic and technological environment, the education program allows students to use leading edge technological tools and techniques, challenging them to reach new heights.

THE EXPERIENCE

Students that participate in the Museum's education program receive an engaging, well-rounded experience that includes:

LEVI'S STADIUM TOUR

- Students tour and learn about how the stadium is a showcase for technology innovation and environmental sustainability.

GUIDED MUSEUM EXPLORATION

EXPERIENCE LEVI'S STADIUM

LEVI'S STADIUM TOURS

Go behind the scenes of the home of the San Francisco 49ers and Super Bowl 50 with a 90-minute guided tour of Levi's Stadium. Public tours are offered year-round and allow guests access to an NFL locker room, the 49ers Gold Rush cheerleader's locker room, premium club spaces, a luxury suite, the NRG Solar Terrace, and even onto the playing surface. You'll learn about stadium features like the Levi's Stadium Mobile app, the stadium connectivity, and the video boards that play a part in making it truly a state-of-the-art stadium. With full stadium events like 49ers games, major concerts, soccer, and college football, you'll learn how the stadium is truly a year-round event center that transforms with any attraction that comes to town. The comprehensive tour drops guests off for a self-guided or docent-led exploration through the 49ers Museum presented by Sony where guests can continue the fun at their leisure.

At a \$30 price point, Levi's Stadium hosts public tours in the off-season (February through July) on Fridays, Saturdays, and Sundays, and adds Mondays to the calendar in-season (August through January). To purchase tickets please visit the Visa Box Office at Levi's Stadium or go to www.ticketmaster.com.

LEVI'S STADIUM CORPORATE TEAM BUILDING

Levi's Stadium has developed a corporate team building experience fit for Silicon Valley. Companies can engage in a tech-based interactive team building competition with Levi's Stadium as your playground for the day. Using a smart phone app developed by GeoTeaming, groups are broken into teams and participate in challenges all around the stadium. Following the competition, teams bond and share success stories over a lunch, happy hour, or dinner at Michael Mina's Bourbon Pub. To reserve your all-inclusive experience visit levisstadium.com or call 415-GO-49ERS ext. 5.

CLUB & SUITE OVERVIEW

LEVI'S STADIUM ART COLLECTION

The Art Collection at Levi's Stadium is home to over 200 original pieces and more than 500 photographs. The museum-quality artwork featured is comprised of mixed mediums such as acrylic, charcoal, enamel, oil, pastel, pen and ink, stencil, metals and sculptures. Of the 23 original artists showcased, 20 hail locally from California. The photographs in the collection are from the archives of the 49ers and their esteemed group of team photographers, as well as from the San Francisco Chronicle and many local libraries and historic centers.

The Art Collection at Levi's Stadium celebrates the 49ers legendary history, the organization's current success and the vibrant culture of the greater San Francisco Bay Area. No other multi-use stadium contains the quantity and scope of original artwork that this collection has procured. The galleries highlight diverse, local artists and include pieces that have personal ties to the 49ers organization.

The 49ers are thrilled to present a collection that enhances the building by creating a fully integrated visual experience. Guests encounter larger than life portraits of 49ers greats, alongside charcoal sketches that celebrate notable regional figures such as Steinbeck and Kerouac. Visitors may marvel over pieces from the Ranchos of the Santa Clara Valley and the timeless psychedelics of the storied Fillmore Music Hall. The collection has been crafted to engage and provoke everyone from the casual fan to the art aficionado.

The Art Collection at Levi's Stadium was curated in partnership with Sports & the Arts (SATA).
