Further demonstrating the organization's commitment to youth sports, 49ers PREP presented by U.S. Bank formed a free co-ed youth flag football program that has provided a safe, fun introduction to football for approximately 500 Bay Area kids across the region in its first year.

49ers PREP presented by U.S. Bank has the objective of teaching more children teamwork, goal-setting, and how to live a healthy lifestyle in a fun, safe, and educational environment. The program provides free non-contact activities for both boys and girls as well as additional programs surrounding youth football players, parents and coaches with the aim of creating young, healthy leaders on and off the field.
