Its mission is to teach American football to those all around the globe. While abroad, Brunskill got to experience the culture of Hungary, including taking a picture with a falcon at Budapest Castle. "It was an amazing culture and I got to experience some pretty rich history over there," Brunskill said. "They don't have a big group playing, but they have a lot of fans. They're definitely coming along. It was interesting to see how many people actually cared about the NFL over there and love the game."
