ARTHUR M. BLANK

Owner and Chairman

Atlanta Falcons

Perhaps best known as co-founder of The Home Depot, Arthur M. Blank is now widely recognized for his diverse businesses. Recipient of the 2024 Sports Business Journal's Lifetime Achievement Award for his immense industry impact and named by ESPN as the 2021 Sports Philanthropist of the Year, Blank is a tireless advocate of using purpose and profit hand-in-hand to benefit the communities around him.

In addition to the Atlanta Falcons, Blank's portfolio of businesses includes AMB Sports and Entertainment, Mercedes-Benz Stadium, Atlanta United, PGA TOUR Superstore, Atlanta Drive GC, AMB West and the Arthur M. Blank Family Foundation.

Atlanta Falcons Ring of Honor

In 2024, Blank was enshrined as the 13th member of the Atlanta Falcons Ring of Honor. Blank has made his mark as a renowned steward of the franchise. As a leadership voice in the incredible growth of the NFL over the last two decades, Blank has also championed using the Falcons and NFL platforms to grow youth football, support America's military and build community in Atlanta.

Blank's journey to Falcons' ownership started as a fan, then as a believer, in what was possible for the city of Atlanta and the Atlanta Falcons. After purchasing the team in 2002, results on and off the field elevated, and Blank's unwavering dedication to the franchise, its fans and the city of Atlanta brought stability and a renewed vision to the Atlanta Falcons that has stood the test of time.

Blank raised the bar and level of expectation for the Falcons and quickly became a trusted leadership voice within the National Football League. The Blank Family Foundation and the Atlanta Falcons consistently work to leave a positive imprint on the city of Atlanta and its broader community, including its commitment to youth and girls flag football, and helping to revitalize the neighborhoods surrounding MBS.

Under Blank's leadership, the Falcons have earned eight postseason berths, including trips to the NFC Championship Game in 2004, 2012 and 2016, three NFC South Division crowns and a trip to Super Bowl LI. In 2010 and 2012, the Falcons posted NFC-best 13-3 records. Atlanta's winning percentage has been raised significantly under Blank's ownership, climbing over .500 since 2002 after sitting at just .394 in the club's first 35 years of existence.

Arthur M. Blank Family Foundation

The Arthur M. Blank Family Foundation was founded in 1995 to help transform lives and communities by uniting people across differences to find common cause. With more than \$1.5 billion in giving history, the success of the Atlanta Falcons has allowed the Blank Family Foundation the opportunity and platform to pour into the surrounding communities through substantial grants over the years, contributing to significant projects and initiatives.

Examples include a \$200 million donation to Children's Healthcare of Atlanta, the largest donation in Children's Healthcare of Atlanta history, with the goal to provide a world-class facility to improve quality of care, patient experience and access to specialized pediatric healthcare for Georgia's children and families, and more than \$20 million to the National Center for Civil and Human Rights in downtown Atlanta to educate people on the American Civil Rights Movement and the struggle for human rights locally and globally today.

FAN FRIENDLY PRICING

Blank redefined the global stadium food and beverage experience with Mercedes-Benz Stadium's innovative, fan-first pricing, recognized by SBJ as the 2018 Sports Breakthrough of the Year, followed by a No. 1 rating in the NFL Voice of the Fan survey, which the team has maintained in that category every year since.

Arthur M. Blank Hospital

In 2024, Children's Healthcare of Atlanta opened the doors of Arthur M. Blank Hospital. The new 19-story, two-million-square-foot facility is the largest healthcare project in the history of Georgia and was made possible by a \$200 million donation from the Arthur M. Blank Family Foundation.

MERCEDES-BENZ STADIUM

MERCEDES-BENZ STADIUM

This year marks the ninth season of Falcons football at Mercedes-Benz Stadium (MBS). In that time, MBS and its leadership have proven to be game changers in the sport and entertainment industry.

When Arthur M. Blank set out to build MBS, his vision was to create a world-class venue that would ensure the city remained a permanent contender in attracting the world's largest sport and entertainment events, as well as catalyze positive transformation in and around downtown Atlanta. Nine years later, that vision has become a reality.

Named the 2019 Sports Business Journal Sports Facility of the Year, voted number one for best NFL Stadium Food and number two for Best NFL Stadium in the Readers' Choice Awards by USA Today 10Best. MBS has achieved many industry firsts since its establishment: MBS has achieved many industry firsts since its establishment:

EVENTS

MBS has become one of the busiest stadiums in North America, hosting 50 major events on average, three million guests and over 100 private events annually. Over the past eight years, the venue has hosted a variety of sporting and entertainment events in addition to numerous Atlanta Falcons games, Atlanta United matches and concerts from A-list artists such as The Rolling Stones, Beyoncé, Luke Combs, Taylor Swift, George Strait, Coldplay, Ed Sheeran and more. This summer, MBS will host the 2026 FIFA World Cup for eight matches including a semifinal. In 2024, MBS became the first stadium to repeat as host of the College Football Playoff National Championship Game. MBS will host Super Bowl LXXII in 2028, the second time that Mercedes-Benz Stadium has hosted the Super Bowl (2019) and the NCAA Men's Final Four in 2031.

SUSTAINABILITY

Since its inauguration in 2017, MBS has been leading the charge in sustainable practices within the sports industry. The two-million-square-foot building has set a new standard, becoming the first professional sports venue in North America to achieve the United States Green Building Council's LEED Platinum certification, as well as the LEED Zero Waste certification. In 2022, MBS became the first professional sports stadium globally to achieve TRUE Platinum Certification for Zero Waste. From water conservation measures, energy optimization, and alternative transportation initiatives to urban gardening and agriculture programs, MBS is dedicated to exploring new avenues for reducing our environmental impact.

INNOVATION

MBS is actively leveraging fan feedback to enhance the overall stadium experience by utilizing cutting-edge technological innovations. In 2022, the stadium implemented Delta Fly Through Lanes, which offer touchless entry, allowing fans to access the stadium and premium clubs using facial authentication technology. MBS has also revolutionized the concession process with four check-out free marketplaces that allow fans to quickly grab food or drink without spending time in lines. Most recently, the stadium launched Spirited, an enhanced beverage experience, where fans can use facial recognition to purchase a cocktail through a self-serve cocktail machine without retrieving a credit card or identification.

COMMUNITY

The Arthur M. Blank Family Foundation is working to increase economic mobility for legacy residents in Atlanta's Westside, the community that is home to MBS. While the foundation has an enduring commitment to the Westside, over the next seven years, the foundation's work will focus on affordable housing and financial security. The foundation's total Westside financial commitment since 2007 exceeds \$107 million. Adjacent to MBS is The Home Depot Backyard (HDBY), an award-winning 11-acre green space. The HDBY provides a variety of community programming and events while serving as the premier parking and tailgating destination for the Atlanta Falcons, Atlanta United, and other stadium events. The space aims to give back to the community by providing cultural and enriching opportunities for continued learning and enhancement.
