A NEW SEASON BEGINS DOWN UNDER

Melbourne Cricket Ground

Woodland Hills, Calif. – The Los Angeles Rams are traveling to Melbourne, Australia to open the 2026 regular season against the San Francisco 49ers. The competition is set to be played at the iconic Melbourne Cricket Ground, also known as the 'G'. This multi-sport stadium currently seats more than 100,000 people and is the largest stadium in the Southern Hemisphere.

The Rams are on a three-game win-streak in international play, outscoring their opponents 92-17 in the last three games outside the border. This will be the first ever NFL regular season game in Australia and the first time the Rams will play a regular season international game outside of London. The Rams and 49ers have met head-to-head 150 times during the regular season, but this will be the first time the two teams meet during international play. Last season, the two teams split the regular season series (1-1), with the road team winning both contests.

The Rams last faced off against the 49ers on the road in Week 10 last season, taking a 42-26 victory in Santa Clara. QB Matthew Stafford finished the game completing 24-of-36 passes for 280 yards and four touchdowns. Stafford threw his 400th career regular season touchdown, becoming one of nine quarterbacks in the NFL history to reach the milestone. RB Kyren Williams led the team with 14 carries for 73 yards (5.2 avg.) and two rushing touchdowns. Williams scored his 30th career rushing touchdown marking him the third-fastest player in Rams' history to accomplish the feat. The Rams defense featured three players that recorded 11 tackles each. ILB Omar Speights tallied a single-game career-high 11 tackles and S Quentin Lake tied his single-game career-high 11 tackles. Additionally, CB Emmanuel Forbes Jr. recorded two passes defended and one interception.

Following the Week 1 game in Australia, the Rams will host the New York Giants for the regular season home opener at SoFi Stadium in a *Monday Night Football* matchup on September 21.

SUCCESS IN THE WEST

Under Head Coach Sean McVay, the Rams are **29-18** in the regular season against NFC West opponents. The Rams finished 6-0 in the NFC West during the 2018 season. The last time an NFC West team accomplished the feat was the Cardinals in 2008. It marked the first time the Rams swept the NFC West since 1999.

The Rams are 16-7 in NFC West road contests since the start of the 2017 season. The most recent road win was against the San Francisco 49ers, 12-6, at Levi's Stadium in Week 15. The Rams' record in the NFC West last season was 5-1, sweeping the Seahawks and the Cardinals.

The Rams overcame a 14-point deficit in Week 3 last season to defeat San Francisco, which was the second-largest comeback win over the 49ers in franchise history. It was also McVay's first win when trailing by 14+ points at any time during a game.

Coach Sean McVay has 15 victories over the Arizona Cardinals since 2017, the most for any coach against an NFC opponent during that span.

The Rams outscored their divisional opponents, 171-112, during the 2017 season, which was a 59-point differential. It was the highest positive point differential in the division for the Rams since 2001, when the Rams outscored their divisional opponents, 274-160, for a 114-point differential. The 2001 Rams played in a five team division and therefore had eight divisional games that season.
