THE PROSPECTOR

2026 REGULAR SEASON × WEEK 11

DIGGING UP NUGGETS FOR THE NEXT MATCHUP

HOLA, FAITHFUL!

- The **San Francisco 49ers** take on the Minnesota Vikings this week at Estadio Banorte in Mexico City, Mexico, on NBC's *Sunday Night Football*.
- This game marks the team's 2nd international game this season [Week 1 at LAR (9/10/26) - Melbourne, Australia] and makes them the first team in NFL history to play in two international games in two separate continents in the same season. It also makes them the first team in NFL history to play in two international games in non-consecutive weeks.
- This matchup also marks the 3rd time in franchise history that the **49ers** have played a regular season game at Estadio Banorte, where they hold a record of 1-1. The team defeated the Arizona Cardinals, 38-10, in Week 11 of the 2022 season [at Arz. (11/21/22)].
- The **49ers** are 4-1 overall in international play. With the win this week vs. Min. (11/22/26), the team would win its 5th-consecutive international game, extending the NFL's longest active winning streak in international play.
