DOLPHINS HEAD TO SAN FRANCISCO FOR WEEK 2

The Miami Dolphins will visit the San Francisco 49ers for their Week 2 matchup on **Sunday, Sept. 20, 2026, at 4:25 p.m. EDT at Levi's Stadium.**

Sunday's game marks the 16th all-time regular season meeting between the teams, with **Miami leading the series, 9-6.**

It will mark Miami's first visit to Santa Clara since 2022 and the first meeting between the franchises since the Dolphins defeated the 49ers, 29-17, at Hard Rock Stadium in Week 16 of the 2024 season.

The Dolphins opened the 2026 campaign at Las Vegas and continue their road stretch with another West Coast contest in Week 2.

This marks the 16th time in franchise history that Miami has played back-to-back road games to start a season.

MIAMI IS UNDER NEW LEADERSHIP IN 2026

The Dolphins entered the 2026 season under new football leadership.

Miami named **Jon-Eric Sullivan** the team's general manager on Jan. 9, 2026, and hired **Jeff Hafley** to be the team's head coach on Jan. 19.

The pair, who worked together over the past two seasons in Green Bay, brings more than 40 years of football experience, including over 30 in the NFL.

Sullivan spent the past 22 seasons with Green Bay (2004-25) and was a key part of a Packers personnel department that acquired players who combined for **more than 15 first-team All-Pro selections and over 40 Pro Bowl nods.**

Hafley has 25 years of coaching experience, including four as a head coach at the collegiate level and two as an NFL coordinator.

HAFLEY ENTERS FIRST SEASON AS NFL HEAD COACH

Jeff Hafley is the 12th head coach in franchise history. The 2026 season marks his 26th year of coaching and his 10th season in the NFL.

From 2024-25, Hafley oversaw a Packers defense that ranked among the top in the NFL in various categories, including **fifth in total defense in 2024 (314.5 ypg).**

In his tenure, the Packers posted a **20-13-1 regular season record and made consecutive playoff appearances,** in addition to producing a combined **three All-Pro selections and three Pro Bowl nods** on the defensive side of the ball.

Hafley's vision for the Dolphins is to build a team founded on these core values: **trust, belief, accountability and toughness.**

"That's physically, that's mentally, that's everything that we do. It's a toughness that thrives on competition. It's a toughness that reflects the people and the spirit of the city of Miami," Hafley said in his introductory press conference.

SULLY HIT THE GROUND RUNNING

New Dolphins General Manager **Jon-Eric Sullivan** has wasted no time in improving since his arrival in Miami.

In his first eight months on the job, Sullivan has:

- Signed Pro Bowl **RB De'Von Achane** (through 2030), second-team All-Pro **C Aaron Brewer** (through 2029) and first-team All-Pro **ILB Jordyn Brooks** (through 2029) to contract extensions, securing the team's pillars for the long term.
- Added 16 veteran players to the 53-man roster via free agency, trade and the waiver wire, including top free agent **QB Malik Willis.**
- Increased Miami's draft capital from eight to **13 picks** in the 2026 NFL Draft, including **two first-round selections.**
- Drafted a **league-leading 13 players,** including **six in the top 100.**
- Added seven players on the waiver wire, traded for **QB Kyle McCord** and signed **EDGE Malik Herring** at roster cut downs.

2026 TEAM CAPTAINS

The Dolphins named RB De’Von Achane, C Aaron Brewer, ILB Jordyn Brooks, T Patrick Paul, DL Zach Sieler and QB Malik Willis their 2026 team captains, as voted by the team.

The nod represents the first career captaincy honor for Achane and Paul, as well as for Willis, who signed with the team as an unrestricted free agent this offseason.

It marks the second-consecutive honor for Brewer and Brooks, both of whom joined the team as unrestricted free agents in 2024 and are coming off All-Pro seasons.

Meanwhile, Sieler was selected to his third-consecutive captaincy with the Dolphins after joining the team off waivers in 2019.

Washington also logged 1,225 yards in the return game on special teams (965 KOR & 260 PR), in addition to a punt returned for a touchdown.

He was the only player in the NFL last year to record at least 100 yards in each of the four metrics and his 1,652 all-purpose yards last year ranked **sixth in the NFL among wide receivers**:

BREWER CONTINUES TO PAVE THE WAY

After locking in **RB De'Von Achane**, Miami ensured continuity up front by signing **C Aaron Brewer** to a three-year contract extension through 2029.

A team captain, Brewer earned second-team **All-Pro honors** and was a **Protector of the Year finalist** in 2025 after anchoring an offensive line that helped produce the **NFL's fourth-best rushing average** (4.7 yards per attempt).

DOLPHINS BUILD FROM THE INSIDE OUT

In addition to extending **C Aaron Brewer**, Miami used the 12th overall pick in the 2026 NFL Draft to select **G/T Kaden Proctor** out of Alabama.

Proctor anchored Alabama's offensive line for three seasons, starting 40 games and earning **consensus All-American** and **first-team All-SEC** honors in 2025. He helped the Crimson Tide win the 2023 SEC Championship and reach the College Football Playoff in 2023 and 2025.

The Dolphins also drafted **G DJ Campbell** in the sixth round (200th overall) out of Texas.

Campbell earned All-SEC honors in 2025, started 43 games for the Longhorns and helped lead Texas to the College Football Playoff and a Peach Bowl title in 2024.

MIAMI'S O-LINE HELD STRONG IN 2025

Miami's offensive line **did not allow a sack in four games** in 2025, **tied for the third-most such games in the NFL** behind only Jacksonville and Houston (5 each).

The Dolphins rushed for at least 100 yards in all four contests, becoming **one of only four teams** in 2025 to post four or more games with 100-plus rushing yards and no sacks allowed (Jax., 5; Det., 4; Hou., 4).

Additionally, the Dolphins allowed **68 QB hits in 2025**, which tied with Chicago for the **fifth lowest in the NFL** (TB, 60; Pit., 63; Sea., 63; Phi. 63).

Miami returns four of its five original starting offensive linemen from 2025: **C Aaron Brewer**, **T Patrick Paul**, **G Jonah Savaiinaea** and **T Austin Jackson**.

DULCICH ADDED PRODUCTION IN 2025

TE Greg Dulcich led the tight end room and had the **third most receiving yards** among Miami's pass catchers in 2025.

He played in 10 games, starting three, and recorded **26 receptions for 335 yards and one touchdown**. The Dolphins re-signed Dulcich on March 11, 2026.

MIAMI ADDS YOUNG TALENT TO RECEIVING CORPS

Miami bolstered its receiving corps with several offseason additions.

For the first time since 1975, the team drafted three wide receivers in the same class. Miami selected **Caleb Douglas** (75th overall) out of Texas Tech and **Chris Bell** (94th overall) out of Louisville in the third round, in addition to Missouri's **Kevin Coleman Jr.** in the fifth round (177th overall).

The Dolphins also drafted tight ends **Will Kacmarek** out of Ohio State in the third round (87th overall) and **Seydou Traore** out of Mississippi State in the fifth round (180th overall), and claimed **Justin Joly** off waivers from Denver after the Broncos selected him in the fifth round (152nd overall) of the 2026 NFL Draft.

Additionally, fifth-year wideout **Jalen Tolbert** joined the wide receiver room as an unrestricted free agent in the offseason.

MIAMI FORCED 20 TURNOVERS IN 2025

Despite a slow start, the Dolphins produced 20 takeaways in the last 13 games of 2025.

Miami's 20 takeaways from Weeks 4-18 were tied for the sixth most in the NFL in that span:

THE RUN DEFENSE IMPROVED AS THE SEASON PROGRESSED

Miami entered the 2026 season with a defensive front seven that is largely intact from last year.

In 2025, the group closed the season with formidable run defense. The unit had its best stretch from Weeks 8 - 17, allowing an average of 99.2 rushing yards per game, the sixth-best mark in the league in that span:

The Dolphins' strong run defense during that stretch was highlighted by their performance in Week 8, when they held the then-fourth-ranked Falcons rushing attack to only 45 yards.

BROOKS INKS THREE-YEAR CONTRACT EXTENSION

The Dolphins locked in another team pillar when they signed ILB Jordyn Brooks to a contract extension through the 2029 season on July 22, 2026.

Brooks, who has served as a team captain in consecutive seasons, was the NFL's leading tackler and a first-team All-Pro selection last year.

ILB Jordyn Brooks was one of two Dolphins players among the NFL's Top 100 Players of 2026, landing at No. 67. He joined RB De'Von Achane (No. 26).

BROOKS HAD 100 TACKLES IN FIVE-STRAIGHT SEASONS

Brooks surpassed the 100-tackle mark for a fifth-consecutive season in 2025, making him **one of just eight active players** to post 100 tackles in five or more consecutive seasons and the **first Dolphin to total 100 tackles in back-to-back seasons** since Jerome Baker in 2019-20.

SIELER IS A VETERAN ANCHOR FOR MIAMI'S DEFENSE

DL Zach Sieler tallied 47 tackles (29 solo), 5.5 sacks, 10 tackles for loss, one fumble recovery and one pass defensed and a blocked field goal in 2025.

He was **one of only two NFL defensive tackles** in 2025 to post 45-plus stops, 5.0-plus sacks and 10-plus tackles for loss (Jeffery Simmons, Ten.).

Out of his 5.5 sacks last year, 4.5 came in the last five games of the season, **tying for the fifth most in the NFL in that span**.

Meanwhile, his 5.5 sacks were **tied for the seventh most in the NFL** among interior defensive linemen and ranked second among Dolphins players.

ROBINSON POISED TO MAKE HIS MARK IN 2026

Robinson finished the 2025 season with 21 tackles (10 solo), 4.0 sacks and one forced fumble, after a rookie campaign with 26 tackles, 6.0 sacks and four passes defended.

"Confidence. He's playing more physical and he's playing more aggressive, and he's taking steps every day to become a complete player." - **Head Coach Jeff Hefley** on Robinson's growth in training camp.

DOLPHINS BOLSTER DEFENSE WITH OFFSEASON ADDITIONS

The Dolphins infused talent and competition into the defensive side of the ball during the offseason.

Miami used one of its two first-round picks in the 2026 NFL Draft to select San Diego State CB **Chris Johnson** (27th overall).

Johnson was a **second-team All-American**, a **first-team All-Mountain West** selection and was named **co-Mountain West Defensive Player of the Year** in 2025.

The Baptist Health Training Complex has served as the home of the Miami Dolphins since its opening on July 20, 2021. Located across the street from Hard Rock Stadium, the \$135 million complex includes a 125,000 square-foot training facility and 92,200 square-foot indoor field, totaling 227,200 square-feet of indoor space along with two full natural grass practice fields.

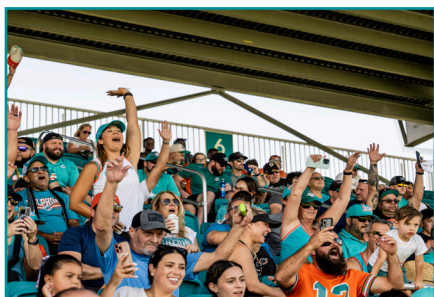

The facility features a hydrotherapy area, fuel bar, dedicated recovery area with cryotherapy and isolation tanks, and an athletic training room with expansive rehabilitation space that includes a Hyperbaric Oxygen Therapy (HBOT) Chamber for enhanced recovery and performance, an Ammortal Chamber for zero-gravity recovery and an Hologic Horizon DXA System for body composition and bone health assessment.

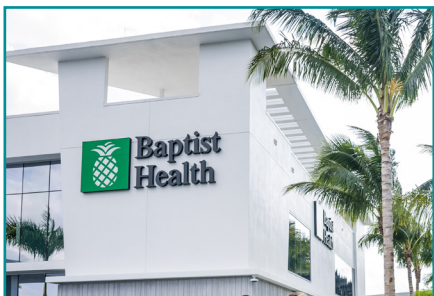

The facility also includes meeting rooms with direct field access, a two-story weight room with a cardio deck, locker rooms, equipment space, dining and auditorium areas, a full indoor practice facility, a lobby with a grand staircase, office and press areas, fan amenities and a broadcast studio.

The complex not only houses the Dolphins' football operation personnel, but it also serves as the site of the club's preseason training camp and all offseason conditioning programs.

The Baptist Health Training Complex offers a shaded, fanned canopy with stadium-style seating, welcoming fans to enjoy preseason training camp practices for the past six years.

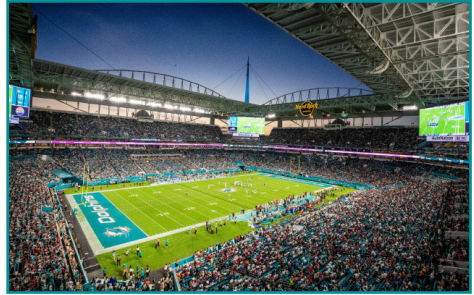

In 2023, the Miami Dolphins in partnership with Baptist Health unveiled the new Baptist Health Orthopedic Complex as the final installation to the Baptist Health Training Complex. The two-story, 17,000 square foot facility provides the Miami Gardens community and Miami Dolphins players and coaches with best-in-class medical care including Orthopedics, Sports Medicine and Physical Therapy services.

Baptist Health is the official partner of the training complex. The partnership is an extension of a decades-long relationship with the Miami Dolphins, with the entity serving as the Official Sports Medicine Provider as well as the Official Wellness Provider of the Miami Dolphins. Baptist Health also is a proud partner of the Miami Dolphins Foundation working together on a series of initiatives around the health and safety of South Florida students, coaches and parents to grow youth football participation in South Florida.

HARD ROCK STADIUM

347 Don Shula Drive, Miami Gardens, FL 33056
(305) 943-8000
www.HardRockStadium.com

A GLOBAL ENTERTAINMENT DESTINATION

Hard Rock Stadium is home to the Miami Dolphins, the Formula 1® Hard Rock Miami Grand Prix, the Miami Open presented by Itaú, University of Miami college football, the Capital One Orange Bowl, Jazz in the Gardens, major concerts, boxing, international soccer and other world-class events.

The multi-purpose, 65,585-seat stadium completed a privately-funded renovation fine-tuned to enhance the fan experience, while transforming the venue into an epicenter of culture, innovation and spectacle.

DESIGN & MODERNIZATION

Hard Rock Stadium and its surrounding properties has undergone a private investment of more than \$1 billion by Managing General Partner & Chairman of the Board Stephen Ross to transform the iconic venue into a global entertainment destination that showcases the best Miami has to offer. From world-class dining to arts, culture and luxury hospitality, Hard Rock Stadium delivers an elevated guest experience and portfolio of events that is unparalleled in professional sports.

Every aspect of the venue was upgraded during the multi-year development and renovation, which began in 2015. New seating experiences were introduced within the bowl, such as the 72 Club presented by Broxel, as well as many additional premium hospitality offerings. The renovation brought four high-definition video boards and the installation of a state-of-the-art canopy that keeps as many as 92 percent of guests in the shade. Remodeled, modernized suites throughout the stadium offer a more intimate club space with improved amenities and food, as well as the addition of theatre boxes and four new corner clubs.

Ross's investment has transformed the property beyond a just a stadium, to a hub for sports and entertainment. In 2018, the organization announced it would become home to the Miami Open presented by Itaú, a Masters 1000 level tournament on the ATP and WTA tours, which had spent three decades at Crandon Park in Key Biscayne. During the tennis tournament, Hard Rock Stadium and its campus transforms to boast 27 courts, including a permanent 5,000-seat Grandstand Court and temporary Stadium Court, which seats more than 16,000 inside the venue's bowl.

In 2022, construction was completed on the Miami International Autodrome, a Grade 1 FIA-homologated circuit and home of the Formula 1® Hard Rock Miami Grand Prix. Ross's investment also supported the construction of the paddock building, a 190,000 square foot building constructed in 2023 that houses F1 team pit garages and premium hospitality offerings on race weekend, and during other events at Hard Rock Stadium. In 2024, the campus added four additional track configurations, allowing the motorsports facilities to be utilized on a year-round basis, while not interrupting the flow of local traffic.

HARD ROCK STADIUM

40 YEARS OF HISTORY

Now in its 40th year of operation, Hard Rock Stadium was the first of its kind to be constructed entirely with private funds, costing \$115 million when it was completed in 1987. Shortly after construction was completed, the venue, then known as Joe Robbie Stadium, hosted its first event – Family Day on Aug. 2, 1987, where more than 40,000 South Floridians became the first to see the brand-new gathering place. Two months later, on Oct. 11, 1987, the Dolphins played their first-ever regular season game in Miami Gardens, shutting out the Kansas City Chiefs, 42-0. The team's 40 consecutive seasons at Hard Rock Stadium is the fourth-longest streak among active NFL stadiums and the 12th-longest streak among professional sports franchises in the United States.

The stadium began to showcase its versatility in 1988, hosting its first-ever soccer match on March 4, 1988, in which the United States Men's National Team defeated Millionarios, a club team from Colombia, 2-1. The stadium has continued to host high-profile international soccer matches, highlighted by seven matches of the FIFA World Cup 2026™. During the World Cup, the venue hosted some of the most iconic matches of the tournament, including Argentina's thrilling 3-2 win in extra time over Cape Verde and the ten-goal tango between England and France in the Bronze Final, the highest scoring World Cup match since 1982.

The stadium hosted the NFL's premier game, Super Bowl XXIII, on Jan. 22, 1989. It marked the return of the Super Bowl to South Florida after a 10-year absence. The stadium has since hosted five more Super Bowls – XXIX (Jan. 29, 1995), XXIII (Jan. 31, 1999), XLI (Feb. 4, 2007), XLIV (Feb. 1, 2010) and LIV (Feb. 2, 2020). Super Bowl LIV marked South Florida's record 11th Super Bowl in 2020 – later tied by New Orleans – which celebrated the 100th anniversary of the NFL. Only Caesar's Superdome in New Orleans – eight – has hosted more Super Bowls than Hard Rock Stadium.

While the stadium hosted several baseball exhibition games in its early years, it officially became home to the Florida Marlins in 1993. On April 5, 1993, Joe Robbie Stadium as a baseball facility was unveiled to the public for the first time as the Marlins earned a 6-3 win over the Los Angeles Dodgers. While playing at the stadium, the team won two World Series, in 1997 and 2003. The 1997 World Series was capped off by one of the most historic moments in stadium history, as Édgar Rentería's walk-off single in the bottom of the 11th inning sealed the organization's first title. On Sept. 28, 2011, the Marlins played the last of the 1,504 games played in Miami Gardens, posting a record of 781-723 (.519).

A staple of South Florida, the Orange Bowl game was played for the first time at Hard Rock Stadium in 1996 and the venue has been the game's permanent home since 2000. Some of the greatest Orange Bowls have been played at Hard Rock Stadium: Michigan's historic comeback in a 35-34 overtime win over Alabama in 2000, Florida State's one-point victory after a back-and-forth affair with Michigan in 2016 and Notre Dame's gutsy come-from-behind win over Penn State to advance to the 2025 CFP National Championship.

In addition to the Orange Bowl, Hard Rock Stadium became home to one of college football's most historic programs, the Miami Hurricanes. Miami played their first home game at the venue on Aug. 28, 2008, dominating Charleston Southern in a 52-7 victory. The Canes have continued to perform at a high level while playing home games in Miami Gardens, highlighted by their appearance in the 2026 College Football Playoff National Championship at Hard Rock Stadium, the sixth college football national title game at the stadium.

In 2019, Hard Rock Stadium welcomed a new sport to its campus, tennis. With Ross's investment, the Miami Open presented by Itaú became a fixture of the venue's annual calendar. The tournament has featured the likes of Roger Federer, Serena Williams, Novak Djokovic, Carlos Alcaraz and Jannik Sinner, bringing the world's best to South Florida. In 2026, the tournament, which saw Sinner and Aryna Sabalenka claim singles titles, recorded a new attendance record as 420,118 fans made their way to Hard Rock Stadium.

In 2022, Hard Rock Stadium and Miami International Autodrome hosted the inaugural Formula 1® Hard Rock Miami Grand Prix. Since the first race, the Miami Grand Prix has emerged as one of the world's most popular sporting events and has cemented itself on the F1 calendar through 2041. Each year, hundreds of thousands of fans flock to South Florida to catch the likes of Lewis Hamilton, Max Verstappen and Lando Norris race around Hard Rock Stadium in the globe's finest motorsports series.

Hard Rock Stadium has hosted a variety of other events, including high-profile concerts featuring the likes of Taylor Swift, Beyoncé & Jay-Z, Rolling Stones, Coldplay, Paul McCartney, U2, Madonna and Bad Bunny.

MIAMI DOLPHINS IN THE COMMUNITY

The Miami Dolphins leverage the power of sports and entertainment to create a positive impact across South Florida. Through year-round community programming, the organization fights cancer, grows the game of football, and expands access to education and economic opportunities. Supported by players, alumni, staff and partners, these efforts strengthen communities and empower youth and families through purposeful engagement.

DOLPHINS CANCER CHALLENGE

Founded in 2010 in honor of former Dolphins player and broadcaster Jim “Mad Dog” Mandich, the Dolphins Cancer Challenge (DCC) is the organization's signature health initiative. Since inception, the DCC has grown into the largest fundraising event in the NFL, raising more than \$100 million where 100 percent of all funds raised support cancer research and patient care at Sylvester Comprehensive Cancer Center, part of the University of Miami Health System and the Miller School of Medicine. These contributions have helped expand access to care across South Florida, advance innovative research, fund major infrastructure projects and strengthen survivorship programs. The initiative culminates each year with its marquee fundraising event featuring cycling, run and walk activities, held at the Miami International Autodrome at Hard Rock Stadium. DCC XVII is scheduled for Saturday, Feb. 27, 2027. For more information, visit <http://www.dolphinscancerchallenge.com/>.

FOOTBALL UNITES™

The Miami Dolphins Football UNITES™ program is committed to uniting the community and building a more inclusive South Florida. Founded by the organization's late Senior Vice President of Communications and Community Affairs, Jason Jenkins, the program works alongside community partners to improve relationships, foster understanding and experience culture to ignite positive change. In honor of Jenkins' legacy and lifelong commitment to the community, the Dolphins host the annual Football UNITES™ Jason Jenkins Days of Service each October, bringing together players, staff, executives, partners and the Jenkins family to participate in service projects across South Florida.

SALUTE TO SERVICE

The Miami Dolphins are committed to supporting our nation's veterans, active-duty service members and their families. Through community collaborations and resource donations, the Miami Dolphins aid veterans and military families, while demonstrating a deep appreciation for their service and sacrifice.

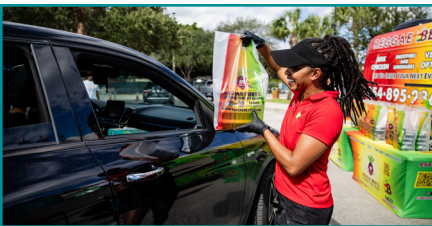

MIAMI DOLPHINS ACADEMY

Miami Dolphins Academy is shaping the future of football by developing the next generation of players and leaders. With a commitment to athlete and coach development, resource donations and off-field education, the Academy creates a fun, safe and inclusive environment that brings communities together to teach, learn and play football. As stewards of the game, the Miami Dolphins Academy is committed to helping South Florida student-athletes, empowering young women and supporting the growth of flag football, while also providing resources and helping expand the sport internationally through annual clinics in Spain, Brazil and Mexico. Through strong community partnerships and strategic resource distribution, these efforts continue to grow the game while building the next generation of Dolphins fans.

NAT MOORE ENDOWMENT

The Nat Moore Endowment Fund provides youth in Miami-Dade, Broward, Palm Beach and Monroe counties with financial resources to pursue post-secondary education and training that enables employment readiness. In its ninth year under the Miami Dolphins Foundation, both the scholarship and vocational grant programs are designed to bridge the gap between receiving financial assistance and obtaining a degree or vocational diploma. Since its inception, the Nat Moore Endowment Fund has awarded over \$2.5M to more than 200 students in South Florida.

COMMUNITY RESTAURANT PROGRAM

The Miami Dolphins Community Restaurant Program provides business development, networking, and exposure for local businesses in Miami Gardens and the surrounding community – all while providing fans an array of foods that authentically reflect the culture of Miami. Now in its fourth year with more than 30 participating restaurants, this initiative provides restaurant owners a unique opportunity to showcase their business at a variety of events at Hard Rock Stadium and throughout South Florida.

DOLPHINS CANCER CHALLENGE HONORS CHILDHOOD CANCER AWARENESS MONTH AT SYLVESTER COMPREHENSIVE CANCER CENTER

Dolphins players visited Alex's Place where they spent time with pediatric and young adult cancer patients through support from DHL.

Last week, Dolphins Cancer Challenge and Sylvester Comprehensive Cancer Center hosted a special Childhood Cancer Awareness Month event for pediatric and young adult patients and their families at Alex's Place in partnership with DHL. The event included superhero kit building and distribution by DHL volunteers, interactive activities for patients and appearances from Miami Dolphins Cheerleaders, T.D. and Miami Dolphins players including DCC Board Member and Miami Dolphins Team Captain **Patrick Paul**, **RB Ollie Gordon II**, **C Aaron Brewer**, **OL Kayden Proctor** and **G Jonah Savaiinaea**.

Multiple families at Alex's Place and Sylvester Comprehensive Cancer Center were impacted by the event, receiving superhero kits and visits from Dolphins players and cheerleaders to remind them that no one fights alone.

"This is an amazingly special event," said Elizabeth Jenkins, Executive Chair of Dolphins Cancer Challenge. "To be able to work with Sylvester and our great corporate partners like DHL to honor these kids who are receiving treatment here for Childhood Cancer Month is probably the best way to kickoff the DCC season."

The **Dolphins Cancer Challenge** is the largest fundraising event in the **NFL**, funding life-changing cancer research and care. Since 2010, DCC has **raised more than \$100 million** for Sylvester Comprehensive Cancer Center, with 100% of participant-raised funds supporting Sylvester's work.

DCC's mission is rooted in community, hope and collective action under this year's theme: **No one fights alone. Registration is now open for DCC XVII, which is set for Feb. 27, 2027.** Visit ridedcc.com to join.

MIAMI DOLPHINS HOST 9/11 DAY VOLUNTEER EVENT IN RECOGNITION OF 25TH ANNIVERSARY OF SEPT. 11

Dolphins alumni, cheerleaders and staff packed meals in a nationwide effort of service.

In recognition of the 25th anniversary of the September 11th terrorist attacks, the NFL participated in 9/11 Day volunteer events across the country to honor and remember those affected by that solemn day. Created in 2002, 9/11 Day is an organization with the mission to rekindle the spirit of togetherness and compassion that arose in the immediate aftermath of the 9/11 terrorist attacks by turning a day of tragedy into one of service.

The Miami Dolphins and Hard Rock Stadium served as one of **10 meal packing host sites across the league**, joining **50 cities** in a nationwide effort of service. Miami Dolphins families, alumni, cheerleaders and employees joined more than **700 volunteers** from across South Florida on Friday morning to pack **210,000 meals benefiting US Hunger, Feeding South Florida and Food Rescue South Florida**.

"It's special because we are one of several clubs across the country that have joined in on this effort. It was important to us to be a host site this year and show unity, not just in South Florida but really around the country," said Kim Miller, Miami Dolphins Vice President of Community Affairs. "Today we have this big event, but you'll see us out in the community day in and day out throughout the year."

The "Honor Through Action" service efforts totaled more than **50,000 volunteers around the country** and provided more than **20 million shelf-stable meals** to help people in need.

MIAMI DOLPHINS HOST FIRST EVER OFFICIAL WATCH PARTY IN ARGENTINA

More than 150 fans attended the Dolphins' first-ever watch party in Argentina.

The Miami Dolphins hosted the team's first ever official watch party in Argentina for their 2026 season opener against the Las Vegas Raiders on Sunday, Sept. 13 at Hard Rock Café Puerto Madero in Buenos Aires. The event welcomed **more than 150 fans** to watch and cheer on the Miami Dolphins to kick off the 2026 NFL season.

The Miami Dolphins first official event in Argentina featured opportunities for fans to win prizes and giveaways and check out Dolphins memorabilia which decorated Hard Rock Café Puerto Madero for a fully-branded activation.

The watch party coincided with Season Kickoff Week efforts in South Florida, connecting fans across the world through meaningful engagements and activations.

"We were thrilled to host the first official Miami Dolphins watch party in Buenos Aires for the 2026 season," said Felipe Formiga, Vice President of International Development for the Miami Dolphins. "Argentine fans brought truly incredible energy to the watch party this weekend, and seeing the inaugural event come to life was so special. Events like this in the country help us continue engaging with more fans as we work to become the NFL team of the Spanish-speaking world. We look forward to growing our presence in Argentina through future activations similar to what we've achieved in other global markets."

Official international watch parties are part of the Miami Dolphins' larger commitment to growing the game of football globally by creating touchpoints with fans worldwide. The Miami Dolphins obtained GMP rights to Argentina in 2024 and are the only team to hold marketing rights in the country through the NFL's Global Markets Program. The team holds GMP rights in Spain, Mexico, Brazil, Colombia and the United Kingdom in addition to Argentina.

GAME SUMMARY

The Miami Dolphins (0-1) opened the regular season with a 27-13 loss to the Las Vegas Raiders (1-0).

Several rookies delivered strong performances. Wide receiver Caleb Douglas tied the franchise record for receiving yards in a Dolphins debut with 94, while linebacker Jacob Rodriguez made his debut, totaling 14 tackles.

The Raiders struck first on a 16-play, 93-yard possession spearheaded by quarterback Kirk Cousins. Running back Ashton Jeanty led early with five carries for 25 yards; Cousins then connected with receiver Jack Bech in the end zone to place Vegas on the board at the end of the first quarter. The Raiders' second possession was stalled by incompletions and ended with a field goal to give them a 10-0 lead.

Miami's first scoring drive saw a blend of air and ground attack. Running back De'Von Achane picked up two first downs before quarterback Malik Willis connected with tight end Greg Dulcich to move the chains once more. Douglas hauled in a 25-yard reception to put the Dolphins in field goal range, where kicker Riley Patterson added one from 41 yards to make the score 10-3.

The Raiders responded with a Cousins-to-Jeanty connection in the end zone to extend their lead to 17-3. Miami added points late in the first half after consecutive deep passes from Willis to Douglas moved the offense into field goal range. Patterson added a 37-yarder to make it 17-6 at halftime.

Rookie safety Michael Taaffe ended the Raiders' opening possession of the second half with an interception, returning it to Miami's 48-yard line. Willis immediately connected with rookie receiver Chris Bell for 25 yards before finding Douglas for another 13. Willis then scored his first touchdown as a Dolphin with a 14-yard scramble to the right, and Patterson added the extra point to narrow the gap to 17-13.

Las Vegas responded with a 50-yard kick return before Cousins connected with Jeanty once more, extending their lead to 24-13.

Miami's defense responded with several key stops on the next Raiders' possession. Defensive lineman Zach Sieler recorded a tackle in his 100th consecutive game, the longest active streak among NFL defensive linemen, and rookie cornerback Chris Johnson added a pass breakup on first-and-goal to help limit Las Vegas to a field goal.

RB Jaylen Wright gave Miami a boost on the following kickoff, returning it 79 yards to set the Dolphins up inside Las Vegas' 20-yard line. The drive ended with a missed 41-yard field goal attempt.

After trading punts, Cousins and the Raiders offense started at their own 45-yard line. Safety Dante Trader Jr. intercepted a deep pass, but Miami punted on the next series.

Willis finished 15-of-27 passing (55.6 pct.) for 220 yards and added five carries for 39 rushing yards and a score. Achane tallied 11 carries on the ground for 36 yards, while Douglas led in the air with 94 yards on 5 receptions. Rodriguez finished with a team-high 14 total tackles (five solo) while Johnson contributed 11 total (five solo) and two pass deflections.

**STEPHEN M.
ROSS**

FOUNDER, OWNER AND EXECUTIVE CHAIRMAN, ROSS SPORTS & ENTERTAINMENT
COLLEGE MICHIGAN

Stephen M. Ross is the CEO and Chairman of Related Ross, Founder and Non-Executive Chairman of Related Companies and the Founder, Owner and Executive Chairman of Ross Sports and Entertainment, which includes the Miami Dolphins, Hard Rock Stadium, the Formula 1® Hard Rock Miami Grand Prix, the Miami Open presented by Itaú and the Precision Drive Club.

In 1972, Ross formed Related Companies, which has grown into one of the most prominent privately owned real estate firms in the United States. Known for developing the neighborhood-defining Hudson Yards in Manhattan, the company was recently named one of the 50 Most Innovative Companies in the World by Fast Company Magazine and boasts more than \$60 billion in assets owned or under development across the United States. In 2024, Ross founded and became Chief Executive of Related Ross, which has already become the largest commercial-property owner in downtown West Palm Beach. Focused on continued development and inclusive economic growth across South Florida, Related Ross has attracted a new generation of leaders across finance and technology to The Gold Coast and elicited renewed interest and investment in the region.

Ross first invested in the Miami Dolphins in February 2008 and assumed the responsibilities of managing general partner of both the Miami Dolphins and Hard Rock Stadium in 2009. The role is the culmination of one of his long-held dreams — Ross grew up in South Florida and the Dolphins have been a lifetime passion for him.

Throughout the Dolphins organization, Ross' ethos of building a first-class team on and off the field is etched deep. His more than \$1 billion of private investment in Hard Rock Stadium and its surrounding properties — most notably to modernize the stadium from 2015-17 — has transformed the iconic venue into a global entertainment destination that showcases the best Miami has to offer and attracts a talent and event lineup that is unparalleled in professional sports. As a result of Ross' vision and investment, Hard Rock Stadium secured events such as Super Bowl LIV — which coincided with the 100th season of the NFL — as well as the 2021 and 2026 College Football Playoff National Championships, the Formula 1® Hard Rock Miami Grand Prix, 2026 FIFA World Cup, major global concert tours, international soccer matches and a host of world-class events over the past decade.

With football, Ross has demonstrated a steadfast commitment to provide coaches, players and support staff the resources necessary to build a winning team that will compete for championships. He invested \$135 million into the state-of-the-art Baptist Health Training Complex, which opened in July 2021. Ross has also invested in the players' personal and professional development off the field, most notably through creating and funding the Dolphins Business Combine — a three-day event which allows players to meet with business leaders across a variety of industries and receive training on topics like personal finance, real estate and investments.

Ross has broadened his sports and entertainment portfolio considerably since assuming primary ownership of the Dolphins in 2009, developing what is widely considered one of the most dynamic global operating enterprises in sports and entertainment.

In 2012, Ross established RSE Ventures, a multi-national sports, entertainment and technology investment firm for which he serves as Chairman. That same year, Ross founded global soccer media company Relevant through RSE Ventures. Initially focused on live events, Relevant successfully orchestrated the first-ever El Clásico hosted in North America. The 2017 match between Barcelona and Real Madrid was the highest-revenue-grossing soccer match in U.S. history at the time.

Shortly thereafter, Relevant began transitioning its business from event promotion to commercial rights representation. In the years since, it has since grown into the leading and most influential privately-owned commercial partner in soccer worldwide, working with leagues, governing bodies, and other properties to sell media, sponsorship and licensing rights. In 2025, Relevant won a landmark mandate to represent the UEFA men's club competitions — including the UEFA Champions League, Europa League, and Conference League — in the sale of their global media and sponsorship rights for the 2027-2033 cycle. The company's other market-leading partnerships include LALIGA North America, a 20-year joint venture with LALIGA for North and Central America, a 17-year partnership with Bundesliga for the Americas, the Premier League Summer Series event platform in the United States and a media rights, content and marketing partnership with the EFL across the Americas.

Ross also expanded his South Florida sports portfolio beyond the Dolphins and Hard Rock Stadium, adding the Miami Open tennis tournament and the Formula 1® Hard Rock Miami Grand Prix to his growing list of sports and entertainment properties. In 2017, when Miami Open organizers began to explore leaving the tournament's longtime home in Key Biscayne, Florida, Ross stepped in to propose hosting the tournament at Hard Rock Stadium. Two years later, the Miami Open debuted in its new home in Miami Gardens, where Ross had spearheaded and funded the construction of a world-class custom tennis complex. The tournament, which is one of the sport's most prestigious outside of the four Grand Slams, has consistently delivered record attendance and revenue in the years since. In 2025, Ross purchased a 45% stake in the Miami Open, which is co-owned and operated with MARL.

In April 2021, Ross became the Chairman and Owner of the Formula 1® Hard Rock Miami Grand Prix. As one of the few sports properties with true global appeal — rivaling the likes of the Olympics and World Cup in terms of consumer interest worldwide — Formula 1 represented a significant opportunity for South Florida to draw widespread attention from and become culturally relevant to a massive international sports audience. Ross and Managing Partner of the Formula 1® Hard Rock Miami Grand Prix Tom Garfinkel worked with specialist designers to create a racetrack that provides premier racing and unique fan experiences that are reflective of the diverse and dynamic nature of Miami, with Hard Rock Stadium sitting at the heart of the circuit — made possible as a result of Ross' sole ownership of the venue and surrounding property, as well as his private investment to build the FIA Grade One track. The inaugural race was named the Best New Event of 2022 by the Sports Business Journal and the organization was named Promoter of the Year by Formula 1 after just the third edition of the event, while delivering an estimated economic impact of more than \$1 billion to the local area. Thanks to Ross' efforts, the Formula 1® Hard Rock Miami Grand Prix has cemented itself as America's premier Formula 1 race and a marquee event at the

intersection of sports and culture, with an extended contract through 2041, making it the longest agreement in the sport.

Following these successes, Ross has taken further steps to realize his ambitions of transforming South Florida into a leading global sports hub. He facilitated the sale of a 13% stake in the Dolphins, Hard Rock Stadium and the Formula 1® Hard Rock Miami Grand Prix to Ares Management funds and Brooklyn Nets owners Joe Tsai and Oliver Weisberg in December 2024, with the raise intended to fuel continued investment into his diverse South Florida-based sports and entertainment portfolio. One year later, Ross sold a 1% stake in the enterprise to Bin Lin, the co-founder and vice chairman of Xiaomi, at a record-setting valuation of \$12.5 billion, the highest in professional sports. Ross also played a central role in securing Miami-Dade as a host for the FIFA World Cup 2026, with the region's matches taking place at Hard Rock Stadium. The event showcased South Florida on a global scale and generated over \$1 billion in economic impact for the community.

Deeply committed to supporting and uniting the South Florida community, Ross routinely leverages the platforms of the Dolphins, Hard Rock Stadium, Formula 1® Hard Rock Miami Grand Prix and Miami Open tennis tournament to make a lasting positive impact in the region. Under his stewardship, the Dolphins have raised over \$100 million for local cancer research through the Dolphins Cancer Challenge, which is now the largest fundraiser in the NFL. In June 2020, Ross and the Miami Dolphins Foundation announced a year-long Food Relief Program with a \$3 million investment and an additional \$1 million from the Lennar Foundation. The initiative provided 1,000 meals each day from local minority-owned restaurants to churches, community groups and those in need during the pandemic. Through this program, the Dolphins' Community Restaurant Program was established, which continues to operate for numerous stadium and community events, along with the Formula 1® Hard Rock Miami Grand Prix, allowing local restaurants to showcase on a global stage.

Furthermore, Ross has used his platform to harness the unifying power of sport to advance race relations across the country through the establishment of the nonprofit Ross Initiative in Sports for Equality (RISE). RISE was recognized in 2017 by ESPN's Humanitarian Awards with the Stuart Scott ENSPIRE Award, which celebrates people and organizations who have taken an innovative approach to help the disadvantaged through the power of sports. This also connects to Ross' vision of the Dolphins' FOOTBALL UNITES™ program to effectuate positive social change. Under his leadership, the Dolphins organization actively embraces the diversity and intersections that make up South Florida, working with groups to improve relationships and foster understanding. In February 2020, the Miami Dolphins were honored by the Fritz Pollard Alliance with the Paul J. Tagliabue Award for their leadership in advancing diversity. Ross was among Sports Business Journal's Leaders in Diversity and Inclusive Hiring honorees in March 2021.

In May 2013, Ross pledged to give more than half of his estate to philanthropic causes and charitable organizations, including South Florida-based institutions. The commitment was made through the Giving Pledge, a long-term global initiative that aims to inspire deeper engagement in philanthropy and increase charitable giving globally. He is also the largest single donor to the University of Michigan supporting the Ross School of Business, critical athletic facilities, scholarships, career development programs and faculty recruitment.

Over the years, Ross has received numerous honors for his business, civic and philanthropic activities. In August 2019, Ross was inducted into the National Football Foundation Leadership Hall of Fame. The prestigious award recognizes the country's most influential individuals who have ascended to the highest levels of success and exhibited the critical leadership qualities that transcend ordinary enterprises. He also received the Jackie Robinson Foundation ROBIE Lifetime Achievement Award, which recognizes individuals who have dedicated their lives to promoting equal opportunity and inclusion.

Ross graduated from the University of Michigan with a Bachelor of Business Administration degree and from Wayne State University Law School with a Juris Doctor degree. He later received a Master of Laws in Taxation from New York University School of Law. In 2004, the University of Michigan renamed its business school the Stephen M. Ross School of Business at the University of Michigan and in 2011, the school awarded him an honorary Doctor of Laws degree at its commencement.

DANIEL SILLMAN

CHIEF EXECUTIVE OFFICER, ROSS SPORTS & ENTERTAINMENT

COLLEGE | MICHIGAN

Daniel Sillman is the Chief Executive Officer of Ross Sports & Entertainment, which includes the Miami Dolphins, Hard Rock Stadium, the Formula 1® Hard Rock Miami Grand Prix, the Precision Drive Club and the Miami Open presented by Itaú.

As CEO, a role to which he was named in August 2026, Sillman oversees one of the most dynamic sports and entertainment portfolios in the world. Sillman has also worked closely alongside Chairman and Owner Stephen M. Ross for more than a decade on many of the enterprise's most significant initiatives and growth opportunities.

Most notably, Sillman chaired the organizational committee that conducted the search process for the Dolphins' new head coach and general manager following the 2025 season. Led by Sillman, the team identified Jeff Hafley and Jon-Eric Sullivan from the Green Bay Packers as the right leaders to set a new foundation for the franchise. Sillman also established a new leadership structure in football, with Hafley, Sullivan and Executive Vice President of Football Operations Brandon Shore reporting directly to him.

Sillman has also made significant contributions to the business growth of the enterprise. In 2024, Sillman led the process to attract new, limited partner investors in the organization, which resulted in a landmark deal to Ares Management funds and Brooklyn Nets owners Joe Tsai and Oliver Weisberg. One year later, Sillman helped facilitate the sale of an additional 1% stake by Bin Lin, the co-founder and vice chairman of Xiaomi, at a record-setting valuation of \$12.5 billion, the highest in professional sports globally. Additionally, Sillman executed the acquisition of a 45% stake in the Miami Open tennis tournament in 2025, which the organization now co-owns and operates with MARI. These investments have allowed Ross to support continued growth and innovation in South Florida.

In his role as CEO of Ross Sports & Entertainment, Sillman leads the executive leadership team which oversees the operations for all verticals of business, including EVP/Hard Rock Stadium Operations Todd Boyan, EVP/Chief Financial Officer Chris Clements, EVP/Chief Revenue Officer Jason Green and President of the Formula 1 Hard Rock Miami Grand Prix Katharina Nowak.

Sillman also serves as Executive Chairman, co-founder and majority owner of Relevent, one of the world's leading privately-owned sports and media rights companies. Under his leadership, Relevent has become the premier strategic and commercial partner to many of the world's most prominent soccer properties, securing approximately \$10 billion a year in media, sponsorship and licensing rights agreements on behalf of organizations including UEFA, the Premier League, LALIGA, the Bundesliga and the English Football League. Sillman also serves as Executive Chairman of Relevent Football Partners, the dedicated entity responsible for the global commercialization of UEFA men's club competitions.

In 2018, Sillman facilitated a landmark, first-of-its-kind 20-year deal with LALIGA that established a joint venture with Relevent to promote the Spanish league in North America. Sillman negotiated LALIGA's record-breaking media rights deal with ESPN in 2021, which, at the time, marked the largest football media rights deal ever in the US and Canada. He also spearheaded the media rights negotiation and sale of LALIGA's rights in Mexico and Central America to Televisa Sky Sports in 2021. The following year, Sillman led Relevent to secure UEFA's men's club competitions media rights for the United States.

Sillman went on to help Relevent land exclusive EFL fixture distribution rights throughout North, Central, and South America in 2024 and, later that year, struck a 17-year agreement to represent the Bundesliga in the sale of its media rights in North, Central, and South America as well as the Caribbean. In 2025, he led Relevent's efforts to pursue and win a historic mandate to represent the UEFA men's club competitions media rights globally for the 2027–2033 cycle. The deal represented a seismic shift in the global sport business landscape.

In 2026, Sillman helped broker a multi-year deal between Bundesliga and Versant Media's USA Sports and NBCUniversal's Telemundo as the league's first U.S. media rights agreements, making the German league available in 80 million U.S. homes across English, Spanish, linear and digital. Relevent also played a critical role in helping Bundesliga secure its first U.S. sponsorship agreement with Polymarket, a critical step in furthering the league's growth in the market.

Sillman began his career founding and operating Compass Management, a multi-family office for professional athletes, which he later sold to FFO in 2015. Prior to joining Relevent, he sourced, structured and executed new investment opportunities as the Director of Business Development at RSE Ventures — a private investment firm owned by Ross. At RSE Ventures, Sillman led efforts focused on mid-cap sport businesses such as Student Sports, which owns and operates Elite 11 Football and Area Code Baseball, among others. He then transitioned to Relevent, where he worked to bring El Clásico, a football match between Spanish rivals Barcelona and Real Madrid, to the US for the first time and outside of Spain for the second time in 100 years. Shortly after the Miami-based El Clásico in 2017, Sillman was named CEO of Relevent and began to lead the company's transition from a live events company to the global media rights powerhouse it is today.

For these efforts, Sillman has been named to several sport business awards lists, including Leaders in Sport's Leaders Under 40 (2022), Sports Business Journal's Forty Under 40 (2019), and Forbes Sports' 30 Under 30 (2018). He co-led the development of high-profile companies such as fast-growing youth enrichment platform Rocket Youth. He also serves on the board of directors of RISE — a national non-profit that educates and empowers the sport community to eliminate racial discrimination, champion social justice, and improve race relations — and is a member of the board of trustees for the UEFA Foundation for Children. Additionally, Sillman served as a member of the FIFA World Cup 26™ Miami Host Committee Board of Directors and currently serves on the board of the Miami Open presented by Itaú and Transmit, a leader in sports technology innovation.

JON-ERIC SULLIVAN

GENERAL MANAGER

NFL SEASON 23rd DOLPHINS SEASON 1st

COLLEGE GARDNER-WEBB

Jon-Eric Sullivan was named general manager of the Miami Dolphins on Jan. 9, 2026. The 2026 campaign will mark his 23rd season in the NFL and his first with Miami.

Sullivan brings more than two decades of scouting and player evaluation experience to Miami, having spent the past 22 seasons with the Green Bay Packers (2004-2025), most recently as the team's vice president of player personnel. He helped the Packers win Super Bowl XLV and the 2010 NFC Championship Game, in addition to securing 10 NFC North titles and 16 playoff appearances during his tenure with Green Bay. Sullivan was a key part of a Packers personnel department that acquired players who combined for more than 15 first-team All-Pro selections and over 40 Pro Bowl nods.

In his role as Green Bay's vice president of player personnel, which he held from 2022 to 2025, Sullivan oversaw the team's college and pro scouting departments, working in tandem with general manager Brian Gutekunst and collaborating closely with head coach Matt LaFleur. The Packers have reached the playoffs in three of the last four seasons while retooling their roster with talent with a balanced approach through the draft, free agency and trades.

Green Bay signed cornerback Keisean Nixon in 2022 and safety Xavier McKinney in 2024 via free agency, who combined for three first-team All-Pro honors and a Pro Bowl selection. The team also acquired defensive lineman Micah Parsons on a blockbuster trade deal with Dallas ahead of the 2025 season. Parsons finished seventh in the NFL in 2025 with 12.5 sacks despite suffering a season-ending injury and was named to the 2026 Pro Bowl.

In 2024, the Packers drafted linebacker Edgerrin Cooper in the second round and safety Evan Williams in the fourth, with both earning PFWA All-Rookie honors that year. The team also selected wide receiver Christian Watson in the second round of the 2022 NFL Draft and used a third-round pick in 2023 to take tight end Tucker Kraft. Watson ranked second in the NFL in yards per reception in 2025 (17.5), while Kraft finished second among league tight ends in the same category in 2024 (14.1).

From 2018 to 2021, Sullivan served as the team's co-director of player personnel. In 2021, the Packers added linebacker De'Vondre Campbell through free agency, who went on to earn first-team All-Pro honors in his first season with the team. Green Bay also drafted three Pro Bowl players during that span, selecting cornerback Jaire Alexander in the first round of the 2018 NFL Draft, along with defensive lineman Rashan Gary and guard Elgton Jenkins in the first and second rounds of the 2019 NFL Draft. The team also selected quarterback Jordan Love with the 26th pick in 2020 NFL Draft. Love ranks sixth in touchdown passes (80) and eighth in passing yards (10,929) since becoming the team's full-time starting quarterback in 2023. He also finished second in the NFL with 32 passing touchdowns his first year as a starter.

Prior to his role as co-director of player personnel, Sullivan was the team's director of college scouting for two seasons from 2016 to 2017. In 2016, the Packers drafted three-time Pro Bowl defensive lineman Kenny Clark in the first round of the draft and used a fourth-round pick to take linebacker Blake Martinez, who led the league in tackles the following season (144). Green Bay selected running back Aaron Jones in the fifth round of the 2017 NFL Draft, who went on to lead the league in rushing yards per carry as a rookie (5.5). In 2019, Jones paced the NFL in total touchdowns (19) and rushing scores (16), earning a Pro Bowl nod for his performance.

Sullivan spent eight years as a college scout from 2008 to 2015, first scouting and evaluating talent from the Central Plains region (2008-11) and later the Southeast region (2012-15). The Packers drafted running back Eddie Lacy in 2013, who became the AP Offensive Rookie of the Year.

Sullivan got his start working as a scouting intern during Green Bay's 2003 training camp before earning a full-time position with the team's football operations department in 2004. From 2004-2008, Sullivan worked as the team's National Football Scouting representative to the annual NFL Scouting Combine and authored evaluations of all prospective seniors in the Southwest region.

Prior to his time in Green Bay, Sullivan served as a student-assistant coach at Gardner-Webb University, his alma mater, for one season (2000) where he worked with the wide receivers. He then worked for three years (2001-04) for GMAC Insurance Group's sales and credit administration departments before joining the Packers' staff.

Sullivan was a collegiate athlete, playing wide receiver his junior and senior seasons (1998-99) at Gardner-Webb. As a senior, he was named to the all-conference team after leading the Bulldogs with 43 receptions. Prior to Gardner-Webb, he played at the University of South Carolina from 1995-97.

Sullivan obtained a B.A. degree in social science from Gardner-Webb in December 2000. In 2021, Gardner-Webb inducted Sullivan into its Gallery of Distinguished Alumni.

Sullivan attended Fork Union (Va.) Military Academy for high school, where he was an all-state defensive back as a junior after leading the state with nine interceptions, then earned all-state honors as a receiver his senior year. Sullivan lettered twice in football and also earned two letters each in indoor and outdoor track.

His father, Jerry Sullivan, was a longtime NFL and college coach who retired in 2021 after more than 40 years of coaching experience, including a stint as the Dolphins wide receivers coach in 2004.

Sullivan and his wife, Jennifer, have three daughters, Samantha, Mia and Cecilia.

JEFF HAFLEY

HEAD COACH

NFL SEASON 10th

DOLPHINS SEASON 1st

COLLEGE SIENA COLLEGE

Jeff Hafley was named the 12th head coach of the Miami Dolphins on Jan. 19, 2026. The 2026 season marks Hafley's 26th year of coaching, 10th season in the NFL and his first with the Dolphins. He also has four years of experience as a head coach at the collegiate level.

Hafley most recently served as the defensive coordinator for the Green Bay Packers, a role he held for two seasons (2024-25). During his time with Green Bay, the Packers posted a 20-13-1 regular season record and made consecutive playoff appearances, in addition to producing a combined three All-Pro selections and three Pro Bowl nods on the defensive side of the ball.

In his first season as defensive coordinator in 2024, Hafley led a Packers defense that ranked fifth in total defense (314.5 yards per game) and in yards allowed per play (5.2), seventh in run defense (99.4 yards per game), sixth in scoring defense (19.9 points per game) and fourth in takeaways (31), while finishing tied for eighth in sacks (45). The unit improved by significant margins from 2023, when it ranked 17th in total defense (335.1 yards per game), 20th in yards allowed per play (5.4), 28th in run defense (128.3 yards per game) and 23rd in takeaways (18).

The Packers were one of only two teams in the league, along with Minnesota, to record more than 45 sacks and 30-plus takeaways in 2024. They were also one of just three teams, joining Baltimore and Denver, to allow fewer than 100 rushing yards per game and fewer than 4.0 yards per carry, marking only the second time since 2000 that Green Bay achieved both marks in the same season. Multiple Green Bay defenders earned Pro Bowl nods in 2024, including defensive lineman Rashan Gary and safety Xavier McKinney, with McKinney also earning first-team AP All-Pro honors. Meanwhile, linebacker Edgerrin Cooper and safety Evan Williams were both named to the PFWA All-Rookie team that year.

Despite several injuries in 2025, Green Bay's defense finished in the top half of the league in total defense (311.8 yards per game), yards allowed per play (5.0), yards allowed per carry (4.2), passing defense (194.1 yards per game) and third down defense (39.4%). Defensive lineman Micah Parsons, who the Packers acquired via a trade with Dallas, ranked seventh in the NFL with 12.5 sacks and was named to the 2026 Pro Bowl despite suffering a season-ending injury. Parsons and McKinney were both named AP All-Pros in 2025, with Parsons earning first-team honors while McKinney was selected to the second team.

Prior to Green Bay, Hafley served as head coach at Boston College (2020-23), leading the Eagles to bowl eligibility in three of four seasons, including a victory over No. 17 SMU in the Wasabi Fenway Bowl to cap off the 2023 campaign. During his tenure, Boston College produced 35 All-ACC selections and had four players selected in the NFL Draft, including the program's first consecutive first-round picks since 2011-12 with wide receiver Zay Flowers (No. 22 overall in 2023) and guard Zion Johnson (No. 17 overall in 2022).

In 2022, the Eagles secured their first win over an AP-ranked opponent since 2014, when they upset No. 16 North Carolina State on the road. Flowers delivered one of the most productive seasons in Boston College history, setting the single-season program record for receiving touchdowns (12) and matching the school mark for receptions (78). His standout performance earned him first-team All-ACC honors and third-team AP All-America recognition. He concluded his career as BC's all-time leader in receiving yards (3,056) and receiving touchdowns (29).

In 2021, Hafley guided the Eagles to rank third nationally in passing defense, allowing just 173.5 yards per game and holding opponents under 300 net passing yards in 11 of 12 games. Boston College also posted top-30 national marks in total defense (No. 28, 344.3 yards per game), opponent red-zone scoring percentage (No. 30, 76.9), first downs allowed (t-No. 13, 222) and third-down defense (No. 25, 34.5%). The Eagles also led the ACC in both fewest penalties (65) and fewest penalty yards (596).

In his first season at the helm in 2020, Hafley directed the Eagles to a 6–5 record, the most wins by any first-year head coach in college football that year. Under his direction, Boston College climbed 52 spots in the national total defense rankings, rising to No. 73 after finishing No. 125 in 2019. The Eagles allowed nearly 62 fewer yards per game than the previous season (416.8 in 2020, 478.7 in 2019), marking one of the nation's most significant defensive turnarounds.

Prior to leading the program at Boston College, Hafley served as co-defensive coordinator and secondary coach at Ohio State in 2019, helping lead the Buckeyes to a Big Ten championship title and a berth in the College Football Playoff. That season, Ohio State's defense ranked No. 1 nationally in yards allowed per play (4.13), total defense (259.7 yards per game), passing defense (156.0 yards per game) and sacks (54). A finalist for the Broyles Award and the 247Sports Defensive Coordinator of the Year, Hafley also helped the Buckeyes finish No. 4 in scoring defense (13.7 points per game), No. 4 in red zone defense (41.4 percent) and No. 9 in rushing defense (103.7 yards per game).

Before Ohio State, Hafley spent seven seasons in the NFL. He spent three seasons (2016–18) as San Francisco's defensive backs coach. In 2018, the 49ers finished 11th overall in passing defense (233.3 yards per game) and held opponents to 250 passing yards or fewer in 11 of 16 contests. In his first season with the team in 2016, he helped elevate San Francisco's secondary to a No. 14 ranking in pass defense (240.5 yards per game), a 13-spot improvement from the previous year.

Prior to the 49ers, Hafley spent two seasons (2014–15) as the secondary coach for the Cleveland Browns, helping the unit produce one of the NFL's most efficient pass defenses in 2014. That year, Cleveland led the league in opponent passer rating (74.1) and opponent completion percentage (57.1), while finishing second in interceptions (21). Cornerback Joe Haden, safety Donte Whitner and safety Tashaun Gipson all earned Pro Bowl honors, marking the first time in team history that three defensive backs were selected in the same season. Despite missing the final five games of the season, Gipson finished second in the NFL with six interceptions.

Hafley's NFL coaching career began with the Tampa Bay Buccaneers, where he served as the assistant defensive backs coach in 2012 and the secondary/safeties coach in 2013. Over those two seasons, Tampa Bay ranked fourth in the league in interceptions (39) and third in interception return yards (757). In 2013, the Buccaneers tied for third in the NFL in takeaways (31) and interceptions (21). Safety Ronde Barber finished second in the NFL in interception return yards (160) in 2012, while rookie safety Mark Barron ranked second among first-year defensive backs in both tackles and passes defended.

In his first stint at the collegiate level, Hafley spent the 2011 season coaching the secondary at Rutgers. The Scarlet Knights produced the No. 9 pass defense (171.8 yards allowed per game) and ranked eighth in scoring defense (18.3 points per game). He mentored cornerback Duron Harmon and safety Logan Ryan, both of which were later selected in the third round of the 2013 NFL Draft by the New England Patriots.

Prior to Rutgers, Hafley coached at the University of Pittsburgh from 2006 to 2010, working as a defensive assistant and cornerbacks coach (2006-07) and as the secondary coach (2008-10). He mentored future NFL All-Pro Darrelle Revis, a finalist for the Jim Thorpe Award in 2006 before he was selected No. 14 overall in the 2007 NFL Draft by the New York Jets.

Before his time at Pitt, he spent four seasons at Albany, coaching the defensive backs (2004-05) and the defensive tackles (2002-03). During that time, he helped develop Kurt Campbell, who became the first player in program history to be selected in the NFL Draft when he was chosen by the Green Bay Packers in the seventh round in 2005. Hafley began his coaching career at Worcester Polytechnic Institute in 2001, working with the running backs.

Hafley played wide receiver from 1997 to 2000 at Siena College, where he was a four-year letterwinner. He and his wife, Gina, have two daughters, Hope and Leah.
