THIS WEEK'S PREVIEW

The Cardinals travel to San Francisco in Week 3 to begin a stretch that will see the team play five of its next seven games on the road. That includes games on opposite coasts in each of the next two weeks (@ SF in Wk 3; @ NYG in Wk 4).

Having started the season 1-1 against the Chargers and Seahawks, the Cardinals now face their third straight game vs. a team that made the postseason in 2025. The 49ers are off to a 2-0 start, taking down the Rams in Australia in Week 1 and the Dolphins at home last week.

Arizona will be looking to improve to 8-5 all-time at Levi's Stadium since the venue opened in 2014, matching the Seahawks (8) for the most road wins on the 49ers home field.

Sunday's matchup will feature Cardinals first-year head coach **Mike LaFleur** going up against his former team and a coaching mentor. LaFleur's first seven seasons (2014-20) in the NFL coaching ranks came with three different teams (Cleveland, Atlanta, San Francisco) that also featured current 49ers head coach Kyle Shanahan on staff. LaFleur's final four seasons coaching alongside Shanahan came in San Francisco after he was hired as the team's head coach.

This week's game will be the Cardinals seventh against 49ers QB - and Arizona native - Brock Purdy. The former Perry (Gilbert, AZ) High School standout was named the 2017 Arizona Cardinals High School Player of the Year and 2016 Arizona Cardinals High School Offensive Player of the Year during his prep career. Arizona earned its first win vs. Purdy the last time it faced him on the 49ers home field (Week 5 of the 2024 season).

This week's game at Levi's Stadium is the Cardinals first matchup vs. San Francisco since QB **Jacoby Brissett** and WR **Michael Wilson** put up historic performances in Week 11 vs. the 49ers last season. Brissett threw for a career-high 452 yards on a NFL single-game record 47 completions while Wilson established career highs in both receptions (15) and receiving yards (185).

TE **Trey McBride** enters Sunday's game having posted 22 receptions for 223 yards and three TDs in his last three games against the 49ers.

Following this week's game in San Francisco, the Cardinals head to the East Coast for a game against the Giants at MetLife Stadium in Week 4.

The 49ers remain home for the third consecutive week as they host the Denver Broncos.

THIS WEEK'S HIGHLIGHTS

- Sunday's game at Levi's Stadium marks the 70th all-time meeting between the Cardinals and 49ers. One team has swept the season series in 10 of the last 11 years (2015-25), with the Cardinals doing so six times and the 49ers doing it four times during that span.

- This week's matchup vs. the 49ers in San Francisco is the second of three games the Cardinals will play in the state of California through the first six weeks of the 2026 season. That is the same number of games the Cardinals will play in Arizona through the first nine weeks (3).

- The last two matchups between the Cardinals and 49ers at Levi's Stadium were both decided by 35-yard FGs that gave their team a one-point victory. In Week 3 of the 2025 season, San Francisco won 16-15 on an Eddy Pineiro 35-yard FG as time expired. In Week 5 of the 2024 season, Arizona won 24-23 on a **Chad Ryland** 35-yarder with under two minutes remaining in regulation.

- Cardinals TE **Trey McBride** enters Sunday's matchup at San Francisco with at least 5 receptions in each of the last 11 road games. That is the longest such streak by a TE in NFL history.

- With TD catches in each of the first two games this season, McBride now has 12 TD receptions in his last 14 games.

- QB **Jacoby Brissett** has more passing yards (3,738) and TD passes (25) than any player in franchise history in their first 14 starts with the Cardinals.

- Brissett enters Sunday's game with 934 passing yards in three career starts vs. the 49ers, an average of 311.3 yards per game.

- In his lone game played vs. the 49ers last season (Week 3 @ SF), LB **Mack Wilson Sr.** finished with a game-high 12 tackles, 2 tackles for loss and a QB hit. His 12 total tackles and 2 passes defended both remain career highs.

- In two games vs. San Francisco last season, LB **Josh Sweat** had 2.0 sacks, 4 QB hits and 2 tackles for loss.

- S **Budda Baker** finished last week's game vs. the Seahawks with a game-high 11 tackles, a sack, a tackle for loss and a pass defended. It was the 36th outing of Baker's career in which he had double-digit tackles. His 36 games with 10+ tackles are 14 more than any other DB in the NFL dating back to his rookie season in 2017.

A two-time first-team All-State selection, Purdy was the 2017 Arizona Gatorade Player of the Year as a senior after throwing for 4,405 yards and 57 TDs in leading Perry to the Class 6A state championship game. Both his passing yards and passing TD totals were 6A state records. He also ran for 1,016 yards and 10 TDs that season.

WINGARD DOING IT ALL

S Andrew Wingard - signed by the Cardinals as a free agent this offseason - has filled up the stat sheet in his first two games with Arizona this season.

Through two games, Wingard has 12 tackles, a team-high three tackles for loss, an INT, a pass defended and a forced fumble.

WINGARD SHINES IN CARDS DEBUT

Wingard made plays all over the field in the Cardinals Week 1 win over the Chargers in Los Angeles. He finished the contest with 4 tackles, 2 tackles for loss, a forced fumble and an INT.

Wingard was the only player in the NFL with both an INT and a forced fumble in Week 1. He became the first Cardinals player to accomplish the feat in a game since Budda Baker did so on 10/19/20 at Dallas.

Wingard's second quarter forced fumble was the 4th of his career and his fourth quarter INT of Chargers QB Justin Herbert was the 7th INT of his career. **It marked the first time in 104 career games played that Wingard has had an INT and a forced fumble in the same game.**

ANOTHER OUTING WITH DOUBLE DIGITS FOR BAKER

S Budda Baker finished last week's game vs. the Seahawks with a game-high 11 tackles, a sack, a tackle for loss and a pass defended.

It was the 36th outing of Baker's career in which he had double-digit tackles. **Baker's 36 games with 10+ tackles are 14 more than any other DB in the NFL dating back to his rookie season in 2017.**

HIGHLIGHTS FROM WEEK 1 WIN IN L.A.

LAFLEUR WINS IN HEAD COACHING DEBUT

Led by first-year head coach Mike LaFleur, the Cardinals defeated the Chargers 26-14 in their regular season opener at Los Angeles in Week 1.

LaFleur became the first Cardinals full-time head coach to earn a win in his first game since Don Coryell in 1973.

LaFleur was one of six coaches who made their NFL head coaching debut in Week 1. That group had a combined 4-2 record. LaFleur (AZ) joined Klint Kubiak (LV), Jesse Minter (BAL) and Joe Brady (BUF) as the coaches who earned wins in their debut.

FEHOKO NAMED PLAYER OF THE WEEK

WR Simi Fehoko was named the "NFC Special Teams Player of the Week" for his performance in the Cardinals 26-14 vs. the L.A. Chargers in Week 1.

It was Fehoko's first career selection as Special Teams Player of the Week and the first "Special Teams Player of the Week" for the Cardinals since Blake Gillikin in 2024 (Week 9).

Fehoko made his mark on special teams in the Cardinals victory vs. Los Angeles. He was the first - and only - NFL player to block a punt in Week 1.

It was Fehoko's first career blocked kick, the first blocked punt for the Cardinals since 12/20/20 vs. Philadelphia and the first time the Chargers had a punt blocked since 11/21/21 vs. Pittsburgh.

Fehoko finished the Cardinals Week 1 win with the blocked punt and two tackles on special teams.

LOVE OPENS CAREER WITH A TOUCHDOWN

RB Jeremiyah Love - selected by the Cardinals with the #3 overall pick in the 2026 Draft - opened his career by rushing for 41 yards and a TD on 11 carries while adding 2 receptions for 9 yards in the Cardinals win at Los Angeles in Week 1.

Love's first career rushing TD came on his third career rushing attempt.

He ended the Cardinals opening drive of the season with a five-yard TD run. In doing so, he became the first Cardinals player to score a rushing TD in his NFL debut since RB Tim Hightower (2-yard run) on 9/7/08 at San Francisco.

A BUSY AFTERNOON FOR BOURNE

WR Kendrick Bourne - another 2026 offseason free agent signing by Arizona - made a big impact in the Cardinals Week 1 win over the Chargers.

The 10th year veteran posted 8 receptions for 85 yards in L.A. **In franchise history, only two players had more receptions in their Cardinals debut.**

NEW DIGNITY HEALTH ARIZONA CARDINALS PERFORMANCE CENTER COMING IN 2028

In February of 2026, the Cardinals broke ground at the organization's new Dignity Health Arizona Cardinals Performance Center located in North Phoenix at Scottsdale Road and Loop 101.

The targeted opening for the world-class facility is 2028.

"For us, this project is a generational, Arizona-first investment anchored by a world-class performance center and team headquarters," Cardinals Owner **Michael Bidwill** said at the ground-breaking. "At its core is a focus on helping our players reach their full potential and maximizing team performance. But it will also undoubtedly strengthen the state's economy and create an iconic new landmark in Phoenix."

The 217-acre property positioned west of Scottsdale Road and north of the Loop 101 was purchased at auction from the Arizona State Land Department for \$136 million in September by an affiliate of the team. The new performance center and business operations will anchor the mixed-use development site, occupying 30 acres and over 250,000 square feet. The footprint of the team's current facility is 14 acres and 156,000 square feet.

The new facility will feature three natural-grass outdoor practice fields and a fieldhouse with a full-size turf field indoors. Additional elements of the new, world-class performance center will include a greatly expanded and modern locker room and state-of-the-art team spaces for athletic training, sports medicine and strength and conditioning in addition to updated dining areas, meeting rooms, a player lounge and more.

Work is ongoing at the site. The foundation build up for the Dignity Health Arizona Cardinals Performance Center and the three outdoor playing fields is complete. On August 26, workers began the first concrete pour for the new facility. As part of the process, workers temporarily removed 275 native species trees and cacti that will be preserved and replanted when construction is completed. Some of those are over 300 years old.

In May of 2026, Dignity Health announced that it will open a first-of-its-kind, state-of-the-art medical campus at the site of the Cardinals new performance and business headquarters. Dignity Health became the first to join the project, unveiling plans for a premier medical campus. The multi-phase project will ultimately feature two buildings totaling up to 300,000 square feet across eight acres. Upon completion, the project is expected to create 700 medical and support positions and will be Dignity Health's largest outpatient campus. Phase one of construction for Dignity Health's medical campus is expected to begin in 2027, with an anticipated opening in 2028.

LAFLEUR TAKES OVER IN ARIZONA

ROOKIE FREE AGENTS HAVE A HISTORY IN ARIZONA

Mississippi's **Wydet Williams Jr.** made the Cardinals Week 1 roster as a rookie free agent. **It marked the 12th time in the last 15 years (2012-26), the Cardinals had at least one undrafted free agent make the Week 1 roster.**

CARDINALS HAVE THEIR CAPTAINS

Prior to the start of the regular season, the Cardinals named the five players who will serve as team captains for the 2026 season, based on a vote of their teammates.

OFFENSE: QB Jacoby Brissett / OL Hjalte Froholdt
DEFENSE: S Budda Baker / LB Mack Wilson Sr.
SPECIAL TEAMS: LS Casey Kreiter

Baker is serving as a team captain for the seventh consecutive season. Froholdt and Wilson were both named captains for the second straight year.

Brissett was named a team captain for the third time in his career - and with his third different team (Colts - 2019; Patriots - 2024).

Kreiter was named a team captain for the third time in his career (Giants - 2022, 2024).

CARDINALS EXTEND FROHOLDT & WILSON

In the span of 10 days, Arizona signed two of its cornerstone players - OL **Hjalte Froholdt** and WR **Michael Wilson** - to contract extensions.

On August 25, the Cardinals signed **Froholdt** to a two-year contract extension that keeps him under contract through the 2028 season.

Froholdt is in his fourth season with the Cardinals and this is the second extension he has signed with the team. He previously signed a two-year extension with the Cardinals in August of 2024 after originally joining the team as an unrestricted free agent in 2023.

The 30-year old Froholdt started all 51 regular season games at center in his first three seasons (2023-25) in Arizona and was a team captain in 2025. **He was the only player on the Cardinals roster to have started all 17 games each of the last three seasons.** Froholdt joined Ted Karras (Cincinnati), Creed Humphrey (Kansas City) and Coleman Shelton (LA Rams) as the only players in the NFL to start all 51 regular season games at center between 2023-25.

On September 3, the Cardinals signed **Wilson** to a three-year extension that keeps him with the team through the 2029 season.

Wilson is in his fourth year with the Cardinals after being selected in the third-round (84th overall) of the 2023 NFL Draft from Stanford. **He appeared in 46 games (38 starts) in his first three seasons (2023-25) and had 163 receptions for 2,119 yards and 14 TDs.**

Last season, Wilson played all 17 games (13 starts) and set career-highs in receptions (78), receiving yards (1,006) and TD receptions (7). Over the final eight games, Wilson had three outings with 10+ receptions and 100+ receiving yards. **During that stretch (Weeks 11-18), he ranked third in the NFL in receptions (56), second in receiving yards (775) and tied for second in TD receptions (6).**

A ROSTER RECHARGE AS THE INJURED RETURN

Arizona's roster was decimated by injuries in 2025. Those setbacks also provide a major reason for optimism in the 2026 season, as the team has seen numerous key contributors return.

Among the players who missed all or a significant portion of last season that have returned for 2026 are:

- WR Marvin Harrison Jr.
- OL Paris Johnson Jr.
- DL Walter Nolen
- LB Mack Wilson Sr.
- CB Garrett Williams

ARIZONA'S INJURY-PLAGUED 2025 CAMPAIGN

In all, Arizona had 42 different players miss a combined 336 games due to injury in 2025. The Cardinals ended last season with an NFL-high 26 players on injured lists (IR/PUP/NFI). Arizona also had 81 different players appear in at least one game in 2025, tied for the most in the NFL.

HIGHLIGHTING SOME OF THE 2026 ADDITIONS

BIG NUMBERS FOR UNDRAFTED BOURNE

One of the Cardinals first free agent additions this offseason was WR **Kendrick Bourne**, who signed a two-year contract with Arizona after spending his first nine NFL seasons with San Francisco (2017-20, '25) and New England (2021-24).

Since entering the NFL as a rookie free agent with the 49ers in 2017, **Bourne has appeared in 129 games (43 starts) during the regular season with 339 receptions for 4,351 yards and 22 TDs** to go along with 20 carries for 174 yards. He has also appeared in six postseason contests, adding 13 receptions for 165 yards and three TDs with one carry for 14 yards.

Among active players who entered the NFL undrafted, Bourne ranks 2nd in career receptions (339), receiving yards (4,351) and TD receptions (22) behind only Jacksonville's Jakobi Meyers (471 receptions for 5,495 yards and 24 TDs).

A MAJOR ADDITION IN THE TRENCHES

Signed to a three-year contract on the opening day of free agency this offseason, OL **Isaac Seumalo** looks to solidify the left side of the Cardinals offensive line. **The 11th year veteran - who has played for the Eagles (2016-22) and Steelers (2023-25) and Cardinals (2026) in his NFL career - has started 106-of-127 career regular games played with starts coming at LG (86), RG (19) and TE (one). He has started all 91 games played over the last eight seasons (2019-26).**

Seumalo is coming off a 2025 campaign in which he allowed just a 3.7% pressure rate according to Next Gen Stats. That was the lowest among all NFL guards (min. 250 pass blocks). Only three offensive linemen (all centers) allowed a lower pressure rate last season.

1. Isaac Seumalo
3.7% pressure rate

2. Tyler Smith
3.8% pressure rate

3. Quenton Nelson
4.3% pressure rate

According to Pro Football Focus, Seumalo also ranked 6th among NFL guards with a 76.4 pass-blocking grade in 2025 (min. 20% snaps played).

FITZGERALD ENTERS THE HALL AND WILL BE HONORED BY CARDINALS IN 2026

FITZGERALD TAKES HIS PLACE IN THE PRO FOOTBALL HALL OF FAME

In August, WR **Larry Fitzgerald** joined **LB Luke Kuechly**, **QB Drew Brees**, **RB Roger Craig** and **K Adam Vinatieri** in entering the Pro Football Hall of Fame at the induction ceremony that took place at Tom Benson Stadium in Canton, OH.

Fitzgerald and the rest of the 2026 class were celebrated at the Hall of Fame Game between the Cardinals and Panthers, at the Gold Jacket Dinner and during the induction ceremony.

FITZGERALD'S HALL OF FAME INDUCTION SPEECH - CLOSING REMARKS

Fitzgerald's closing remarks in his Hall of Fame induction speech, addressing his sons: Devin, Apollo and Milos.

"If you were paying attention, you heard some fundamental themes in this speech. One, it's not hard to find people who will tell you what you want to hear. Make a conscious effort to surround yourself with people who will tell you what you 'need' to hear. The hard things. The uncomfortable things. Believe me, the people in that second group care about you far more than those in the first."

"Two, life is short. Time is precious. And not one of us knows how much we have. So many of the people I mentioned today are no longer with us. Some gone much too soon. Make your time count. Fill every 24 hours with the passions and pursuits that mean the most to you."

"And lastly, there's not much traffic on the extra mile in life, so be sure to bring others along with you."

Fitzgerald became the 16th individual who spent a significant portion of his NFL career as a member of the Cardinals organization inducted into the Pro Football Hall of Fame. Full list below:

Shortly after his Hall of Fame induction, the Cardinals announced that the team will honor Hall of Fame WR **Larry Fitzgerald** at halftime of its October 25th game (Week 7) vs. the Denver Broncos presented by Gila River Resorts & Casinos.

In a ceremony that day, Fitzgerald will be placed in the team's Ring of Honor and also have his jersey number (11) retired.

"No one who has ever worn a Cardinals uniform is more deserving of this honor," said Cardinals owner **Michael Bidwill**. "His excellence on the field was only surpassed by the way he represented our team and our community off of it. We are all grateful for the opportunity to recognize Larry in this way and for our fans to celebrate all he has meant to our franchise and the state of Arizona."

A COACHING FELLOWSHIP

In February, the Cardinals announced the addition of **Wendy Laurent** to the coaching staff as the newest participant in the **Bill Bidwill Coaching Fellowship** program.

BILL BIDWILL COACHING FELLOWSHIP: The Cardinals established the Bill Bidwill Coaching Fellowship prior to the 2015 season. Laurent is the seventh individual to participate in the program, which is designed to increase diversity and create additional opportunities for coaching experience at the highest level.

Four recent participants advanced from the fellowship to full-time assistant coach positions - three on the Cardinals coaching staff and one at the NCAA level - including **Connor Senger**, who currently serves as the Cardinals pass game specialist.

Laurent returned to Arizona as the Bidwill Fellow after participating in the Bill Walsh Coaching Fellowship as a member of the coaching staff during Cardinals training camp last year. Prior to joining the Cardinals, Laurent spent last season as the assistant TE's coach at Ohio State where he helped guide the Buckeyes to a 12-1 record and berth in the College Football Playoff Semifinals.

Long-time Cardinals owner **Bill Bidwill**, who passed away in 2019, was at the forefront of providing opportunities to individuals regardless of race or gender. In 2010, he was honored with the Fritz Pollard Alliance's Paul "Tank" Younger Award for promoting diversity in the NFL. In 1978, Adele Harris became the first African American female executive in the NFL when she was hired as the Cardinals director of community relations. In 1981, Bidwill hired attorney Bob Wallace, making him the first African American to handle contract negotiations for an NFL club. In 2004, the Cardinals became the first NFL team to have an African American general manager/head coach duo in Graves and Dennis Green.

Cardinals owner **Michael Bidwill** was honored by the Fritz Pollard Alliance with the organization's 2019 "Paul J. Tagliabue Award," given to a league or team executive who demonstrates the integrity and leadership Tagliabue exhibited in career development opportunities for minority candidates and advocacy for diversity on the league and club level.

Laurent is one of seven members of the Cardinals current coaching staff who have taken part in a coaching fellowship with an NFL team.

In 2024, he became the first Arizona native drafted by the Cardinals since CB Byron Murphy Jr. in 2019.

A member of the Cardinals from 2023-24, DL **Roy Lopez** returned to Arizona in free agency this offseason. A native of Tempe, Lopez attended Mesquite (Gilbert, AZ) High School before going on to attend the University of Arizona in 2020.

PAT TILLMAN PRACTICE PLAYER OF THE WEEK

Although former S **Pat Tillman**'s #40 jersey is one no longer worn on Sundays, it can still be seen on the field at the team's training facility each week.

For the fourth consecutive year, the Cardinals are honoring a player each week as the **Pat Tillman Practice Player of the Week** in 2026. The player who earns the honor wears a #40 jersey for practice each day the following week.

1	RB Evan Hull
2	DL Damonic Williams

In addition to wearing the #40 jersey during practice, the selected player also receives his name and photo on a wall outside the locker room that also features Tillman's former locker in a glass display.

Tillman was selected by the Cardinals in the 7th round (226th overall) of the 1998 NFL Draft out of Arizona State. He defied odds to become a three-year starting safety and set a franchise single-season record with 224 tackles in 2000. Following the 9/11 attacks, Tillman turned down a three-year contract and left the Cardinals prior to the 2002 season to enlist in the U.S. Army with his brother, Kevin. He was killed in action on April 22, 2004 in Afghanistan. He was inducted into the Cardinals Ring of Honor in 2006.

BILLINGS IS BUILT DIFFERENT

DL **Andrew Billings** is in his first season with the Cardinals after spending the past three years in Chicago (2023-25). He was originally drafted in the 4th round (122nd overall) of the 2016 NFL Draft by Cincinnati.

Billings grew up in Texas where he was not only a football phenom in the Lone Star state, but also one of the strongest men on the planet.

As an 18-year old, Billings competed in a powerlifting competition where he ultimately lifted 2,010 total pounds -- breaking former WWE Superstar and Olympian Mark Henry's state record. During the meet, he squatted 805 pounds, deadlifted 705 pounds, and bench pressed 500 pounds.

During his high school career, he took home two state powerlifting championships. **Billings went on to attend Baylor University, where he earned the unofficial title of "Strongest Player in College Football."**

Since joining the professional ranks, Billings has been heavily involved with each community he has been a part of. For the past four years, he has hosted and sponsored an annual Powerlifting meet (Andrew Billings Invitational) in Waco, TX for both boys and girls powerlifting teams. The 2024 powerlifting meet hosted 21 schools and 250 powerlifters. Billings has hosted the event annually and donated \$2,000 each year to fund the meet in addition to attending as a speaker to encourage and motivate the young powerlifters.

In April of 2026, the Waco Independent School District unveiled the Andrew Billings Weight Room at Waco High School, named in his honor. "It means a lot to me," Billings said of the honor. "Most importantly though for me in my pictures being up here, I just want somebody to look at it and say, 'I want that. I want to be on that wall. I want the next weight room to be named after me.' I think that means a lot to me when that happens -- a young kid comes here and sees what I've done and do even better."

ANOTHER MEMORABLE TRIP TO D.C. IN 2026

In June of 2026, the Cardinals joined forces with Desert Financial Credit Union and Gallagher as well as Arizona Governor **Katie Hobbs** and the Close Up Foundation for the fifth annual "Civics Matters Arizona" trip to our nation's capital.

Through this highly-successful year-round program, approximately 280 high school students from across the state participated in an all-expenses paid visit to Washington D.C. on the Cardinals team plane. The four-day, three-night trip took place from June 3-6.

The once-in-a-lifetime experience featured a red coat tour of the United States Capitol and private tour of the Supreme Court. The itinerary also included meetings with elected officials including Arizona Congressman **Juan Ciscomani** and United States Senator from Arizona **Mark Kelly** as well as issue deliberations and instructor-led visits to monuments, memorials, museums, and government institutions, providing students an opportunity to learn about civics in a way that is both educational and fun.

The "Civics Matters Arizona" program cultivates year-round civic education and responsible citizenship to empower young students to lead, serve, and shape the future of our state and our nation. By connecting learning to real experiences both locally and nationally, the initiative equips 6th-12th grade students with the tools, confidence, and sense of responsibility needed to be informed, active participants in their communities and contribute to a stronger democracy. Civics Matters Arizona engages students with their peers as well as their government and gives educators the tools and training to build positive dialogue in the classroom.

The students participating this year in Civics Matters Arizona represent 55 schools, 28 school districts, 19 cities, and 9 of the 15 counties across Arizona. The program engages a diverse group of high schools and organizations serving Title I communities, with 41 of the 55 participating schools classified as Title I institutions.

Ahead of the D.C. program, 9th-11th grade students were required to complete supplemental civic learning modules designed to help students connect civic knowledge to real-world decision-making, leadership, and community engagement. The lessons culminated in a contest in which students submitted a Leadership Challenge project demonstrating civic understanding, critical thinking, and leadership.

YEAR 3 OF GIRLS FLAG GAME OF THE WEEK

The "Cardinals Girls High School Flag Football Game of the Week presented by State Farm" is back on Arizona's Family Sports (AZFS) for the third consecutive year in 2026.

Arizona's Family Sports is airing eight games during the 2026 season. The first matchup came last week as a pair of schools from Gilbert, AZ faced off in the opener. In that contest, Highland HS earned a 21-0 victory over Camp Verde HS.

The remaining slate of games will take place on weeknights at 6:00 PM through November 3. Games will also re-air on Arizona's Family Sports on Fridays and Saturdays throughout the season. **Each match-up will be a fully-produced, 90-minute game broadcast, complete with play-by-play, analysis and sideline reporting and will air live on Arizona's Family Sports (AZFS) and stream live in the new Arizona's Family Sports app.**

The initiative, which debuted in 2024, made the Cardinals the first NFL team to produce and broadcast a weekly girls high school flag football game. Entering its third season, the Cardinals remain the only NFL team with a weekly girls high school flag football broadcast, continuing the organization's commitment to growing the game and creating greater visibility and opportunities for female athletes.

Twenty-two (22) players who participated in the Arizona Cardinals Local All-Stars Media Day on August 1st will make an appearance this season. ELEVATING A FRANCHISE

Owner **Michael Bidwill** has been steering the Cardinals organization for nearly two decades. His leadership during that time has been instrumental in transforming the franchise both on and off the field.

Over the past few years, Bidwill has led a significant restructuring of both the football and business sides of the organization.

In the last three years alone, that transformation has seen the team open new business offices, break ground on the new Dignity Health Arizona Cardinals Performance Center and launch the Arizona Cardinals Foundation in addition to hiring more than 100 new staff members, many in senior leadership positions.

Highlights of Bidwill's tenure:

- On the whole, Bidwill's most substantial accomplishment in his time leading the Cardinals is the creation of State Farm Stadium. The world-class venue has not only been critical for the franchise but has also resulted in over \$6 billion in economic impact for the state of Arizona.

- On February 12, 2023 State Farm Stadium hosted its third Super Bowl when 115.1 million viewers watched Super Bowl LVII. State Farm Stadium also hosted Super Bowls XLII (following 2007 season) and XLIX (following 2014 season).

- In addition to his role in helping Arizona land three Super Bowls, Michael was also instrumental in getting the 2015 Pro Bowl moved to State Farm Stadium; played a week before Super Bowl XLIX, the two events combined to deliver a record economic impact of \$720 million to the region.

- In 2025, Bidwill oversaw the launch of the Arizona Cardinals Foundation, which replaced what was previously known as Cardinals Charities. The foundation is specifically focused on supporting Arizona's special needs community. In February of 2026, the foundation hosted the first-ever Cardinals Climb: Hike for Special Needs, a community fundraising event dedicated to supporting the special needs community. The event was a resounding success, raising over \$2 million dollars for Arizona's special needs community and making it one of the top fundraisers in the NFL.

- Bidwill created a highly-successful community initiative in the Civics Matters Arizona trips, which send hundreds of high school kids from across the state aboard the Cardinals team plane on an educational trip to Washington D.C. The fifth-annual Civics Matters Arizona trip, in partnership with the Close Up Foundation and Arizona Governor Katie Hobbs, took place in June of 2026 and saw 280 students visit the nation's capital.

- Bidwill has also spearheaded the Cardinals efforts surrounding youth football. In 2026, the team launched the Junior Cardinals Flag Football League in Calgary, Alberta which made the Cardinals the first team to launch a junior flag football league in Canada. In 2024, Arizona became the first NFL team to produce and broadcast weekly girls flag football through the Arizona Cardinals Girls Flag Football Game of the Week, an initiative that is in its third season in 2026. In December of 2025, the team hosted the inaugural Arizona Cardinals High School Honors event at State Farm Stadium to recognize the 2025 season of Arizona high school football.

- Under Michael's direction in 2025, the organization launched Cardinals Premier Travel, a first-of-its-kind, elevated travel experience to give all fans the opportunity to see the team play on the road in unmatched comfort and convenience. In its debut last November, nearly 290 fans attended the inaugural trip to Dallas where they saw the team's Monday Night victory over the Cowboys. This preseason, Cardinals Premier Travel provided an unprecedented experience as it took fans on a three-day trip to watch the team play in the Hall of Fame game and to be in attendance for WR Larry Fitzgerald's enshrinement in the Pro Football Hall of Fame in Canton, OH.

- In January of 2018 Michael was one of five owners named to the NFL's Player-Owner Committee focused on social and racial justice initiatives. In December of 2014, Commissioner Roger Goodell tapped Bidwill to chair the league's Conduct Committee, which reviews the league's Personal Conduct Policy at least annually and recommends appropriate changes with advice from outside experts.

- Of the franchise's seven all-time postseason wins, five have come during Michael's tenure leading the organization. Arizona has played in 10 postseason contests over the last 17 seasons (2007-23), after having appeared in just seven total playoff games prior.

- Arizona has appeared in the NFC Championship Game twice since 2008 including a victory in the 2008 conference title game that led to the franchise's first-ever Super Bowl appearance (Super Bowl XLIII).

INAUGURAL "CARDINALS CLIMB" RAISES OVER \$2 MILLION FOR ARIZONA SPECIAL NEEDS COMMUNITY

In February of 2026, the Arizona Cardinals Foundation hosted the first-ever **Cardinals Climb: Hike for Special Needs**, a community fundraising event dedicated to supporting the special needs community. **The event was a resounding success, raising over \$2 millions dollars for Arizona's special needs community and over 3,500 individuals participating across nearly 200 teams.**

In May of 2026, it was announced that the 100 percent of the over \$2 million raised will be distributed to 60 organizations across Arizona. Highlighting the list of recipients are the Foundation's four cornerstone beneficiaries: **Barrow Neurological Foundation, SARRC (Southwest Autism Research & Resource Center), Special Olympics Arizona and Treasure House.**

Also receiving funds are other organizations advancing new and innovative programs that support individuals of all ages living with Intellectual or Developmental Disabilities. The aim is to expand services, promote inclusion, and create equal opportunities, helping drive a lasting impact for individuals and families navigating life with special needs.

The second-annual Cardinals Climb: Hike for Special Needs will take place on Saturday, February 20, 2027.

"The inaugural year of Cardinals Climb was a tremendous success and we know it will continue growing in the years ahead," said Cardinals Owner **Michael Bidwill**. "The energy and joy at State Farm Stadium were truly palpable, but the most rewarding aspect is the opportunity to support so many organizations making a meaningful difference in the special needs community."

ABOUT CARDINALS CLIMB: At Cardinals Climb, State Farm Stadium was transformed into an immersive climbing and hiking experience, bringing together fans, families, corporate teams, and community groups to "climb" for a cause. Cardinals players that attended the inaugural climb included TE **Trey McBride**, WR **Michael Wilson**, TE **Elijah Higgins**, DL **Darius Robinson**, LB **Owen Pappoe**, QB **Kedon Slovis** and OL **Hayden Conner**. Cardinals Legends and Pro Football Hall of Fame Inductees QB **Kurt Warner** and WR **Larry Fitzgerald** also made appearances as did General Manager **Monti Ossenfort**.

A variety of routes, ranging from accessible paths to more challenging climbs, allowed participants to experience the stadium in a completely new way. THE ARIZONA CARDINALS FOUNDATION

In July of 2025, the Cardinals announced the launch of the **Arizona Cardinals Foundation**, marking a powerful new chapter in the team's legacy of charitable giving.

Replacing what fans and partners had previously known as Cardinals Charities, the Foundation is specifically focused on supporting Arizona's special needs community and serves as the central hub for all of the organization's charitable giving efforts.

"For decades, Cardinals Charities has made a meaningful difference across Arizona," said Cardinals Owner **Michael Bidwill**. "With the creation of the Arizona Cardinals Foundation, we're building on that legacy and taking our commitment to the next level. This focused approach allows us to deepen our impact and build relationships with organizations serving the special needs community, ensuring that our support can aid in their development of transformational programs that elevate the care and support available for individuals with special needs."

"An estimated 1 in 20 people in the U.S. lives with an IDD," said **Bob Hamer**, Executive Director of Arizona Cardinals Foundation. "As this community grows and ages, more support will be needed – and we aim to lead that effort. This mission is personal for so many people across our football operations, business front office, and fanbase and we're committed to making a lasting, sustainable impact for the IDD community throughout Arizona."

A centerpiece of the Foundation's launch was the announcement of four Cornerstone Beneficiaries, each of which received a three-year commitment from the Foundation to fund new and innovative programs that expand services, promote inclusion and create equal opportunities for those living with an IDD.

Those four partners are:

- **SARRC (Southwest Autism Research & Resource Center)**
- **Barrow Neurological Foundation**
- **Special Olympics Arizona**
- **Treasure House**

These partners were selected for their proven track records in the space and visionary ideas. Funding supports bold, innovative programs that bring long-term impact to individuals and families navigating life with special needs.

In addition to these Cornerstone Charitable partners, the Foundation will open its grant application process this fall for other nonprofits in the special needs community. In order to be considered for funding, interested organizations are encouraged to complete the form at www.AZCardinals.com/foundation.

The Cardinals have two founding partners - **Dignity Health** and **Desert Financial Credit Union** - supporting the Arizona Cardinals Foundation and its mission. Their longstanding dedication to the Arizona community and shared commitment to improving lives make them invaluable partners in the launch of the Foundation. Dignity Health's leadership in providing world-class healthcare, combined with Desert Financial Credit Union's deep-rooted focus on community empowerment and financial well-being, helps amplify the Foundation's ability to deliver meaningful, lasting impact within the special needs community.

Funds raised from the 50/50 raffle at all Cardinals home games in 2025 benefitted the Arizona Cardinals Foundation, giving fans a direct way to contribute and participate in these efforts.

COMPLETING A RARE FEAT VS. THE 49ERS

With their performance vs. San Francisco in Week 11, Wilson and McBride became just the second duo in franchise history to have 10+ receptions and 100+ receiving yards in a single game. They did so exactly 17 years to the day of the only other instance: WRs Anquan Boldin (13-186) and Larry Fitzgerald (10-151) vs. Seattle on 11/16/08.

PERFORMANCE FOR THE AGES VS. THE NINERS

Heading into the Week 11 matchup vs. San Francisco last season, Wilson never had more than 8 receptions or 95 receiving yards in a single game.

He finished the Week 11 matchup with 15 receptions for 185 yards - nearly doubling his previous career high in both receptions and yards.

His 15 catches in that contest mark the 2nd-best single-game total in franchise history.

WEEK 1

Arizona Cardinals 26, Los Angeles Chargers 14

70,540  SoFi Stadium  Sep 13, 2026

Arizona Cardinals	7	6	3	10	—	26
Los Angeles Chargers	7	0	7	0	—	14

In the regular season debut of Cardinals head coach Mike LaFleur, the Cardinals opened the campaign at SoFi Stadium against the Chargers in a game few gave them a chance to win. But thanks to a strong performance in all three phases, Arizona came away with a decisive 12-point victory and LaFleur became the first Cardinals head coach to win his debut since Don Coryell in 1973. QB Jacoby Brissett was 27-37 passing for 277 yards and a TD with no turnovers. His top target again was all-pro TE Try McBride who caught 9 passes for 95 yards and a TD while new WR Kendrick Bourne had 8 catches for 75 yards. The defense held LA to 14 points and 268 total net yards while forcing two takeaways, 3.0 sacks and delivering a key goal-line stand. And special teams provided one of the game's key plays with a 4th quarter blocked punt by WR Simi Fehoko that led directly to an AZ touchdown.

On the game's first play, Brissett hit McBride downfield for 27-yard completion. Ten plays later, rookie RB Jeremiyah Love bounced it outside on 2nd-n-goal from the 5 and his TD run capped the 11-play, 70-yard opening drive. The Chargers answered with their own lengthy drive (8 plays, 77 yards) and RB Omarion Hampton's 9-yard scoring run tied the game at 7. The Cards again moved into scoring position on the ensuing possession but Chad Ryland's 54-yard FG try hit the right upright and they came away scoreless. However, the defense soon got it back when S Andrew Wingard's forced fumble by Hampton gave the AZ's offense the ball back at its own 34. The Cards would reach the LA9 before Ryland's 27-yard FG made it 10-7. The Chargers seemed poised to tie the game or go ahead on the next drive when they advanced to the AZ3 at the 2:00 warning and faced 4th-n-goal from there. LA went for it but DT Dante Stills came up the middle to sack Justin Herbert for a loss of 10 that turned it over on downs. Taking over at their own 13 with 1:55 to go and no timeouts, Brissett moved the Cardinals offense 61 yards in 8 plays and Ryland's 42-yard FG as the half expired made it 13-7 at intermission.

Herbert and the Chargers got the ball to start the 3rd quarter but AZ's defense forced the game's first punt. Soon thereafter, Brissett connected with WR Marvin Harrison, Jr. on a beautiful pass deep down the left sideline that covered 33 yards to the AZ45. That drive would end with another Ryland FG – this one from 34 yards – and Arizona led 16-7 midway through the 3rd. The ensuing LA drive was aided greatly by a 48-yard defensive pass interference penalty that took it to the AZ12 and Herbert's 8-yard TD pass to WR Ladd McConkey cut the Cardinals lead to 2 at 16-14 with 6:03 to play in the 3rd. Early in the 4th, the Chargers lined up at their own 19 to punt it back to the Cardinals when Fehoko knifed through the middle and blocked it. Arizona's offense took over at the LA3 and a play later, Brissett found McBride with a 3-yard TD pass in the near left corner of the end zone to put the Cards up 23-14 with 11:44 to play. On the next series, Herbert aired it out deep down the middle but Wingard came over from his safety position to pick it off at the AZ5. Up 9 with 9:39 remaining, the AZ defense did not allow the Chargers to threaten again and Ryland's 49-yard FG with 2:33 remaining provided the final points in the Cardinals victory.

WEEK 2

Seattle Seahawks 31, Arizona Cardinals 7
63,191 ■ State Farm Stadium ■ Sep 20, 2026

Seattle Seahawks	7	0	10	14	—	31
Arizona Cardinals	0	7	0	0	—	7

After a season-opening win over the Chargers in Los Angeles, the Cardinals returned home in week 2 to take on the defending Super Bowl Champion Seahawks. The divisional battle was tight in the first half and the teams were tied at 7 going into halftime. But after, that it was all Seattle as the visitors produced points on all 4 of their 2nd half possessions and scored 24 unanswered points en route to a 31-7 victory. Seahawks receiver Jaxon Smith-Njigba led the way with 9 catches for 155 yards and 3 TDs from QB Drew Lock, who was starting in place of an injured Sam Darnold. Meanwhile, the Seattle D limited Arizona to 151 total yards and 7 points. TE Trey McBride was again the focal point for the AZ offense, finishing with 8 receptions for 41 yards and a TD.

Seattle opened the scoring on its 2nd offensive snap of the game when Lock went deep to Smith-Njigba, connecting on an 82-yard TD pass. The Seahawks held that lead into the 2nd quarter but on the first play of it, Arizona faced a 4th-n-goal from the SEA2 and elected to go for it. The decision was validated when McBride caught a Jacoby Brissett pass in the near left corner of the end zone to tie the game. The next Seattle drive reached the AZ47 but LB Zaven Collins forced a turnover when he ripped the ball from RB Jadarrian Price and recovered it himself. The Cards could not capitalize on the takeaway and the Seahawks looked like they would reclaim the lead when their next possession reached AZ's 1-yard line with 1:16 to go in the half; however, on 4th-n-goal from there, the AZ defense stuffed an Emanuel Wilson run for a 1-yard loss forcing a turnover on downs. That goal-line stand resulted in a 7-7 game at intermission.

The 2nd half began with an unlucky break for the Cardinals. On the opening kickoff, Arizona's special teams forced a fumble by Seahawks returner Rashid Shaheed; however, the ball bounced fortuitously to Seahawks LB Chazz Surratt who took it 35 yards to the AZ37. Four plays later, Lock's 3rd-n-goal pass found Smith-Njigba in the end zone for a 7-yard TD that put Seattle up 14-7. A minute later, Seahawks S Julian Love made a diving INT to set the offense up at the AZ42 and that led to a 33-yard Jason Myers FG that made it 17-7 with 6:47 to go in the 3rd. Seattle's next drive covered 80 yards in 10 plays and again ended with a Smith-Njigba TD catch, this one from 12 yards out on 3rd-n-6. With 11:25 to go and up 24-7, Seattle embarked on a 16-play, 70-yard drive that chewed 10:14 from the clock and TE AJ Barner's 1-yard sneak on 4th-n-goal from the 1 provided the final margin.
